This class is above and beyond the mandatory, introductory IZ Orientation, as it reviews topics specific to purchasing a home such as home contracts, home inspections, and mortgages. This counseling can be a class (typically four to eight hours long) or one-on-one counseling. For details contact the following organizations—Latino Economic Development Center, Housing Counseling Services, Lydia's House or University Legal Services (all three locations). Their contact information is on the back of this page. Be sure to obtain a certificate of completion from whichever organization you attend.
