

HANTA RFA Questions and Responses – First Set

Question: What time of day does the application close on the 15th of the month?

Response: 5pm.

Question: What is the term of the affordability requirement for the HANTA units? Are they the same period as the IZ units?

Response: The affordability of the “HANTA” units will be up to 40 years and match the length of the tax abatement period. The IZ units, which are included in the total 1/3 affordable requirement, will have the same affordability periods as all IZ units, i.e., “life of the building”

Question: For projects that are not yet complete, are there forms for the CBE Agreement and First Source Agreement?

Response: Please submit your application without these forms now. These forms will be required should the project receive a conditional reservation letter.
