

## **INCLUSIONARY ZONING**

### **2017 MAXIMUM INCOME, RENT AND PURCHASE PRICE SCHEDULE, REVISED**

**Effective October 6, 2017**

This Maximum Income, Rent and Purchase Price Schedule is published pursuant to the Inclusionary Zoning Implementation Amendment Act of 2006 (D.C. Law 16-275; D.C. Official Code §6-1041.01 et seq.) (as amended, the "Act") and the Inclusionary Zoning Regulations codified in Chapter 10 of Title 11-C and Chapter 22 of Title 14 of the DCMR.

Maximum Household Income Limits, rents and purchase prices are based on the Washington Metropolitan Statistical Area 2017 Median Family Income (MFI), previously referred to as Area Median Income (AMI), of \$110,300 for a household of four, as published by the U.S. Department of Housing and Urban Development (HUD) on April 14, 2017. The limits are adjusted for household size.

For further information contact Gene Bulmash, Inclusionary Zoning Program Manager, DC Department of Housing and Community Development, 1800 Martin Luther King Jr. Avenue SE, Washington, DC 20020 or [gene.bulmash@dc.gov](mailto:gene.bulmash@dc.gov).

**IZ 2017 MAXIMUM INCOME, RENT AND PURCHASE PRICE SCHEDULE (REVISED), PAGE 5**

The Maximum Allowable Purchase Price or Rent is calculated based on a household at the benchmark income spending no more than 30 percent of its income toward housing costs.

**Maximum Allowable Rent** is equal to the rent published minus any utility expenses paid by the tenant for water, sewer, electricity, natural gas, trash and any other fees required in order to occupy the Unit, including, but not limited to, mandatory amenity fees or administrative fees. Utilities are estimated above and the range is based on the difference between gas or electric heat. Actual costs to be deducted for each utility are itemized in Schedule 1.

**A Development Owner** may lower the rents or prices to achieve a larger marketing band of incomes for marketing purposes to ensure occupancy.

**Maximum Allowable Purchase Prices** use the following assumptions:

1. A conventional 30 year, fixed-rate, fully amortizing mortgage at the national average mortgage rate as published by the Federal Housing Finance Agency at [www.fhfa.gov](http://www.fhfa.gov) (4.24 percent as of May 5, 2017) plus a 1.5 percent cushion to protect for future interest rate increases and a 5 percent down payment.
2. Real estate property taxes are assessed based on the control price at the current real estate tax rate of \$0.85 per \$100 of valuation and a homestead deduction of \$72,450.
3. Condominium fees are estimated at 63 cents per square foot per month applied to the assumed unit square footages. Single-Family homeowner association fees are estimated at 13 cents per square foot per month applied to the assumed unit square footages. Estimated unit sizes are:

	Multi-Family Development				Single-Family Development		
Unit Type	Studio	1 Bedroom	2 Bedroom	3 Bedroom	2 Bedroom	3 Bedroom	4 Bedroom
Unit Size	525	625	925	1,050	1,100	1,300	1,500
Hazard Insurance	Included in Condominium Fee				\$120	\$130	\$190

- **NOTE 1.** If the actual homeowner association/condominium fee for a specific Unit is more than 10 percent higher than the fees assumed in this Schedule, then DHCD may use the actual fees to determine the Maximum Purchase Price for the Unit.
- **NOTE 2.** If the condominium fees for any given Unit do not include hazard insurance, then DHCD may add the actual or estimated insurance costs to determine the Maximum Purchase Price for the Unit.
- **NOTE 3.** For unit types or target MFI not listed above contact the DHCD Housing Regulation Administration.
- **NOTE 4.** Maximum and Minimum Incomes are rounded to the nearest 50, Maximum Rents are rounded to the nearest 10 and Maximum Purchase Prices are rounded to the nearest 100. Incomes within 1 percent of the Maximum and Minimum Household Incomes will be considered by DHCD.
- **NOTE 5.** More information on Inclusionary Zoning is available at [www.dhcd.dc.gov](http://www.dhcd.dc.gov).

**SCHEDULE 1: ESTIMATED UTILITIES PER UNIT TYPE**

The following utility estimates are produced by the District of Columbia Housing Authority. The estimates shall be deducted from the maximum allowable rent if the tenant pays all or a portion of the required utilities. Only deduct from the rent the utility for which the tenant is responsible. For example, an 80 percent of MFI one bedroom apartment for which the tenant pays electricity and not water and sewer will have a maximum rent of \$1,480 (\$1,660 maximum allowable rent minus \$180 estimated electricity cost).
