

SINGLE FAMILY RESIDENTIAL REHABILITATION PROGRAM

DC DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

DHCD's Single Family Residential Rehabilitation Program (SFRRP) administers grants for roof repairs and/or modifications to eliminate barriers to accessibility for persons with mobility or other physical impairments.

How the Single Family Residential Rehabilitation Program Helps Homeowners

Under the SFRRP, DHCD provides grants up to \$60,000 per household, to help keep homes safe and accessible.

Roof Repair & Accessibility Grants

- Roof repair grants for exterior roofing and gutter work only are up to \$30,000.
- Accessibility grants remove physical barriers and improve mobility, with up to \$30,000 available. Persons with mobility or other physical impairments may be eligible for this grant.

Am I Eligible?

To be eligible for SFRRP assistance, you must meet the following criteria:

- Own and live in your home as your primary residence for at least 3 years;
- Be current on all District and federal taxes;
- Have a credit report that shows current payments on all mortgages for the last 12 months;
- Possess current homeowners' insurance; and
- Meet the household income limits which can be found by visiting <https://dhcd.dc.gov/SFRRP> and clicking Eligibility/ How to Apply.

How Does the Construction Process Work?

- DHCD develops a scope of work, the Office of Contracting and Procurement (OCP) selects a licensed and certified contractor.
- DHCD manages the construction and will pay the contractor on behalf of the homeowner. The homeowner does not pay the contractor.
