I. Introduction

The District of Columbia Department of Housing and Community Development (DHCD or “Department”) requests proposals for the development of affordable housing in response to the Notice of Funding Availability (NOFA). Up to \$2,000,000 of DMH grant dollars are available and Federal Low Income Housing Tax Credits (9% competitive funds are available) subject to local and federal appropriations. The Department of Mental Health (DMH) grant funds are designated for financing the acquisition, construction or rehabilitation of long-term permanent supportive housing units in the District of Columbia for the exclusive use of DMH consumers.

Through this Request for Proposals (RFP), DHCD is soliciting applications for funding for projects that will help the Department fulfill its goals to:

- Generally, increase the supply of decent, affordable rental and ownership housing through assistance for preservation, rehabilitation and new construction;
- Create permanent housing opportunities, with supportive services, for individuals and families who are homeless or at risk of becoming homeless;
- Provide housing for elderly persons;
- Provide housing for persons with special needs;
- Preserve existing subsidized housing where federal subsidies are set to expire;
- Stabilize neighborhoods by providing homeownership opportunities for low- and moderate-income households; and
- Achieve economic integration of subsidized housing by providing mixed-income housing, or by locating affordable housing in neighborhoods that are not poverty impacted, or that are undergoing rapid gentrification.

Proposals for funding may be submitted to DHCD for a specific funding source. However, DHCD reserves the right to specify the funding source in order to maximize the public benefit to be derived.

In order to submit a fully competitive proposal and maximize the scoring potential of the application, all application filing requirements must be closely followed and all information requested in the application must be responded to completely. Applications must be received at DHCD on or before 4:00 pm Eastern Daylight Time, Friday, May 18, 2009. Applications must be delivered to the DHCD, Development Finance Division, 2nd Floor receptionist’s desk, 1800 Martin Luther King Jr., Ave., SE, Washington, DC 20020. A time/date clock stamp will be used and receipts will be issued at the time of submission.

Completed applications must be submitted on a formatted CD with all of its contents/documents remaining in the original format as released by DHCD. In addition, DHCD requests one hard copy of the information in the CD.

No applications will be accepted after the filing deadline.

See “Definitions of Key Terms in this RFP” in the Introduction, and “DMH Grant Funds” in Section III of this RFP for further information.

Potential Respondents are advised to review all documents which make up this RFP, including:

1. Request for Proposals (RFP);
2. Application Submission Package (Instructions, Application Forms); and Exhibits
3. RFP Reference Guidebook.
4. Qualified Allocation Plan (QAP)

Definitions of Key Terms in this RFP

For the purpose of this RFP and any projects funded pursuant to this RFP, the following definitions will apply:

“Homeless” - Refers to the *Homeless No More* definition which is derived from the HUD definition: (1) an individual who lacks a fixed, regular, and adequate nighttime residence; and (2) an individual who has a primary nighttime residence that is (A) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill); (B) an institution that provides a temporary residence for individuals intended to be institutionalized; or (C) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

“Chronically Homeless” means continuously homeless for a year or more, or having had at least four (4) episodes of homelessness in the last three (3) years.

“DMH Consumers” means adults, children or youth who are eligible to receive mental health services or supports funded or regulated by the Department of Mental Health.

“Long-term” in the context of DMH funded units, means that the supportive housing developed pursuant to this initiative will be reserved through use restriction covenants for the exclusive use of DMH Consumers.

“Supportive Housing” means housing provided in connection with voluntary services designed to help tenants maintain housing, including, but not limited to, coordination/case management, physical and mental health, substance abuse management and recovery support, job training, literacy, and education, youth and children’s programs, and money management.

“Permanent Supportive Housing” - Refers to the *Homeless No More* definition which is derived from the HUD definition: Long-term, community-based housing that has supportive services for homeless persons with disabilities. This type of supportive housing enables special needs populations to live as independently as possible in a permanent setting. The supportive services may be provided by the organization

managing the housing or coordinated by the applicant and provided by other public or private service agencies. Permanent housing can be provided in one structure or several structures at one site, or in multiple structures at scattered sites.

“Disability” means a physical, mental, or emotional impairment which is expected to be of long-continued and indefinite duration; that substantially impedes the ability to live independently; and is of such a nature that such ability could be improved by more suitable housing conditions (primarily persons who are seriously mentally ill; have chronic problems with alcohol, drugs, or both; or have AIDS and related diseases).

“Special Needs” -Refers to an umbrella group of families and individuals (that may or may not be homeless) that have conditions or needs that require the provision of supportive services. These conditions include mental health problems, drug/substance abuse problems, mobility impairment issues, HIV/AIDS and other chronic disease problems, and homelessness.

“SRO” - Refers to the *Homeless No More* definition which is derived from the HUD definition: a residential property that includes multiple single room dwelling units. Each unit is for occupancy by a single individual. The unit need not, but may, contain food preparation or sanitary facilities or both.

“Supportive Services” - Voluntary services designed to help tenants maintain housing, including, but not limited to coordination/case management, physical and mental health, substance use management and recovery support, job training, literacy, and education, youth and children’s programs, and money management.

II. Available Programs and Funding Sources

Applicants may submit proposals for the DHCD financing programs outlined in this *RFP*. Please see below for instructions on accessing regulations. **Where both funding sources that are available through the RFP are eligible for the proposed activity, applicants may specify the funding source(s) they prefer. Again, DHCD reserves the right to allocate sources as it deems appropriate.**

Funding sources available through this RFP include:

- Low Income Housing Tax Credits
- Up to \$ 2 million in funding from the District’s Department of Mental Health (DMH), dedicated for financing the acquisition, construction or rehabilitation of long-term permanent supportive housing units in the District of Columbia for the exclusive use of DMH consumers.

III. General Program Requirements

Each funding source operates under separate federal or local regulations. All regulations include restrictions on the incomes of families served, and maximum allowable rents, but such restrictions vary among the funding sources. Further, definitions for income categories, such as low-income or moderate-income, vary between funding sources. A

brief summary of income restrictions, rent limits and definitions related to income for each funding source is outlined below. Applicants' projects must meet the specific income limits in effect at the time of funding, and must subsequently adjust income and rent limits to maintain ongoing compliance with program regulations as new limits are published.

A. DMH Grant Funds:

The Department of Mental Health (DMH) in collaboration with the Department of Housing and Community Development (DHCD) will fund proposals to finance the acquisition, construction or rehabilitation of long-term permanent supportive housing units for the exclusive use of DMH consumers. DMH supports projects that provide housing for extremely low (less than 30% of area median income) income individuals and families. The table below shows the income limits for these funds.

2009 Income Limits for Department of Mental Health Funds								
Family Size	1	2	3	4	5	6	7	8
30% AMI	\$21,550	\$24,650	\$27,700	\$30,800	\$33,250	\$35,750	\$38,200	\$40,650

Allowable costs associated with such acquisition, construction or rehabilitation of housing may include, but are not limited to: pre-development costs, including, but not limited to, third party reports, earnest money deposits, option fees, architectural drawing or renderings, appraisals and physical inspections; closing and settlement costs including attorney fees; equity contributions on behalf of the developer/sponsor, on its own behalf or on behalf of DHM; capital improvements; and costs to obtain matching funds for grants that provide housing and housing supports for DMH consumers.

DMH shall hold a restrictive use covenant for no less than a five (5) year period on all properties developed that receive less than one hundred thousand dollars (\$100,000.00) of Funds. DMH shall hold a restrictive use covenant for no less than a twenty five (25) year period on all properties developed under this MOU that receive more than one hundred thousand dollars (\$100,000.00) of Funds.

Units proposed for development should be permanent housing of the following types: single-family housing, condominium or cooperative units, multifamily building (housing for DMH Consumers with no more than seventeen (17) units), mixed-use building serving low and moderate-income populations, single room occupancy units ("SROs") or buildings, or transitional housing if approved by DMH in writing.

Projects that maximize the use of the funds by reducing the cost of housing development by entering into agreements with for-profit and non-profit organizations, government agencies and other entities, as necessary, to leverage funds are desired.

Recommendations for funding shall be based on the project's size, bedroom space, common areas, condition of property, neighborhood amenities/services, safety from fire, security, access to public transportation, absence of drug activities and suitability of the location for promoting community integration. Funds granted to prospective developers

for Licensed Community Residential Facilities (CRF) projects are not required to leverage funds.

B. Federal Low-Income Housing Tax Credits (LIHTC)

Program guidelines for Low Income Housing Tax Credits (LIHTC) are specified in the Qualified Allocation Plan and Compliance Manual.

Project Types, Priorities and Uses of Funds: Available funding sources may be used for a variety of projects. The most common eligible project types include:

- Permanent supportive housing for the chronically homeless
- Preservation of expiring, federally subsidized, affordable rental housing
- Special needs housing
- Elderly housing
- New construction of affordable rental or for-sale housing
- Substantial rehabilitation of affordable rental or for-sale housing
- Mixed income housing, that may include permanent supportive housing units

Residential projects must contain five (5) or more units to be eligible for funding. All housing assisted under this RFP must meet the federal and local housing codes and the appropriate income guidelines for beneficiaries.

Priorities: Although the above projects are eligible, DHCD will give priority to certain types of projects.

The Department of Housing and Community Development of the District of Columbia is seeking to partner with private owners, including for-and non-profit entities, to protect and increase the supply of affordable housing in the District of Columbia, particularly:

- in properties requiring rehabilitation as a result of significant code violations;
- in neighborhoods where affordable housing is not readily available;
- where subsidies are needed to reduce displacement as a result of gentrification;
- for low-income disabled and/or elderly households requiring supported living environments;
- for special needs populations, such as persons and families moving from shelters to permanent housing with supportive services;
- for low- to moderate-income households seeking to purchase homes; and/or
- for units in poverty impacted neighborhoods undergoing substantial rehabilitation as part of a comprehensive neighborhood revitalization strategy.

DHCD Affordable Housing Commitments:

- Utilize the expertise of the private and non-profit sector to protect and increase affordable housing;

- Leverage private funds to develop affordable housing;
- Ensure long term availability of affordable housing;
- Encourage mixed-income development; and
- Support the Administration’s housing initiatives.

DHCD Redevelopment Guidelines

DHCD desires to preserve and enhance whenever possible quality housing for low- and very low-income households and to make redevelopment planning decisions in an open, fair and rational manner. The guidelines set forth below will govern the discussions and negotiations with private sector parties and when seeking other governmental or private funding sources in connection with developments funded through DHCD resources.

- 1) DHCD will give greater consideration to new construction or rehabilitation of vacant existing properties that result in mixed-income housing. Generally, the units serving extremely low income households shall comprise no more than 30 percent of the new development. This mixed income requirement does not necessarily apply to senior developments and small scale developments serving chronically homeless individuals.
- 2) Affordable units shall be built out simultaneously with market rate units and in place no later than the market rate housing.

Eligible Costs: Financing may be used for virtually any development finance purpose including, but not limited to:

- | | |
|--------------------------|---------------------------------|
| • Acquisition | • Permanent financing |
| • Construction financing | • Eligible predevelopment costs |
| • Interim financing | • Eligible hard and soft costs |

Financing may not be used for:

- | | |
|--|---|
| • Project-based rental assistance to tenants | • Social services |
| • Tenant-based rental assistance to tenants | • Capacity building |
| • Down payment assistance | • Tax liabilities nor any other District or federal obligations |
| • Security or utility deposits | |
| • Operating and maintenance expenses | |

F. Types of Investment: DHCD may provide investment in projects in the forms of tax credits and grants. DHCD will have the sole discretion to determine the type of investment it will make in a project. In addition, through the American Recovery and Reinvestment Act of 2009, the Department may modify the way LIHTC funds are dispersed. This will be subject to US Treasury, IRS, and HUD regulations.

G. Monitoring Requirements. In accordance with Federal and District regulations, DHCD is required to monitor the use of the funds distributed under this RFP. Applicants receiving financial assistance from DHCD for projects could be subject to any and/or all of the following requirements outlined in Table 5, below.

Table 5: Monitoring Elements, Guidelines and/or Requirements

- Community Development Block Grant (CDBG), including all applicable Office of Management and Budget (OMB) Circulars, such as A-110, A-122, and A-133
- HOME Investment Partnerships Program (including long-term affordability requirements)
- Housing Production Trust Fund regulations (including continuous affordability requirements)
- Environmental Reviews - 24 CFR Part 85 •
- Affirmative Action Program (Local Small Disadvantaged
- Business Enterprises – Mayor’s Order 85-85)
- Section 3 - (24 CFR Part 135)
- First Source Employment Agreements
- Registration with DC Apprenticeship Council
- Americans with Disabilities Act of 1990
- Lead Safe Housing Rule (Lead Based Paint)
- Section 504 of Rehabilitation Act of 1973, as amended
- Uniform Relocation Act or District of Columbia Relocation Assistance provisions (10 DCMR Chapter 22)
- Freedom of Information Act
- Davis Bacon and related Acts
- Conflict of Interest (24 CFR § 570.611 and 24 CFR §§ 84.42 and 85.36)
- Fair Housing (24 CFR Part 14 et al)
- LIHTC (§ 42 of IRS Code of 1986)

DHCD requires each applicant to sign a Monitoring Certification indicating the agreement to comply with the regulations, to be subject to DHCD monitoring for compliance and to accept any applicable penalties for noncompliance. The applicant is responsible for any and all costs associated with implementing and maintaining records to comply with and allow for DHCD monitoring. The Monitoring Certification Form is included in the application.

H. Targeted Geographic Areas:

Targeted Geographic Areas are designated by the District of Columbia or Federal government for the purpose of improving neighborhoods and providing economic stimulus. DHCD will accept proposals for eligible projects throughout the city, and DHCD funding is not necessarily linked with resources in the programs or initiatives identified here. However, the Department will award bonus points to projects located in the following Targeted Geographic Areas to encourage neighborhood revitalization and the preservation of affordable housing in these areas. These programs include: the Neighborhood Investment Fund, the Great Streets Initiative, and the New Communities Initiatives, administered through the Office of the Deputy Mayor for Planning & Economic Development; and the Neighborhood Revitalization Strategy Areas (NRSAs), designated by HUD.

IV. Eligible Applicants

To be eligible for funding consideration, proposals must:

1. Be submitted by a non-profit organization or a non-profit or for profit developer;
2. Request funding for a property located in the District of Columbia and propose to serve individuals or families consistent with income restrictions outlined under Section III of this RFP;
3. Propose activities that meet the eligibility requirements of the funding source through which they receive financing (See the *RFP Reference Guidebook*); and,

4. Meet the Eligibility Requirements outlined in Section V, below.

V. Eligibility Requirements

Applicants must submit documentation that fully demonstrates their compliance with the Eligibility Requirements outlined below. Failure to include such documentation will result in elimination of the application from funding consideration without further review.

- 1) **Site control/Zoning:** This may be in the form of a current deed, fee simple ownership, lease option (lease term must be equal or greater than the proposed financing term), or a contract of sale. At the time of application, site control should extend for at least 180 days after the extension date (including extension options) with an option to continue the control for another 180 days. Additionally, the applicant must demonstrate that the proposed development is matter of right, or that approval from the Board of Zoning Adjustment has been obtained for necessary changes.
- 2) **Basic regulatory eligibility:** The proposed project must meet the appropriate regulatory requirements for eligibility (e.g., National Objective (Public Benefit) and Eligible Activities for CDBG, HOME and HPTF). (For guidance and background information, see the *RFP Reference Guidebook*.)
- 3) **Good standing:** At time of application, the applicant/developer must demonstrate good standing by providing a Certificate of Good Standing from the Department of Consumer and Regulatory Affairs (DCRA). Further, and without exception, the applicant and members of the development team may not:
 - a) Be delinquent on city obligations, including, but not limited to, income taxes, real estate taxes and water and sewer charges; lease payments or defaulted grant(s) from the Office of Business and Economic Development or other loan obligations. (If it is determined during any stage of the review, underwriting or funding process, that the applicant or any business affiliate² has any outstanding indebtedness to DHCD or the District, the applicant shall be removed from further consideration in this funding round);
 - b) in the past five years, have been a party to chronic housing code violations, excessive tenant complaints, or substantial judgments;
 - c) be barred by the U.S. Department of Housing and Urban Development (HUD), DHCD, District of Columbia Housing Authority (DCHA) or District of Columbia Housing Finance Agency (DCHFA); nor,
 - d) Be suspended, voluntarily or involuntarily excluded from participation in any federal or District Programs.
- 4) **Creditworthiness:** Applicant has a satisfactory credit or Dun & Bradstreet report: No member of the development team acting in the role of sponsor, developer, guarantor, or owner has had chronic past due accounts, substantial liens or judgments, foreclosures or bankruptcies within the past five years; nor has defaulted on any

obligation to the District of Columbia within the past ten years.

- 5) **Green Design and Building:** In accordance with The Green Building Act of 2006, the application must meet the following standards relative to green design and building which apply to all projects of 10,000 square feet or more, for which public financing constitutes 15% or more of development costs:

Residential buildings

- Application documents the findings of the integrated design charrette which has been conducted to consider the most cost effective ways to integrate required green design elements (Exhibit GB-2)
- Application includes “Intended Method of Satisfying Green Communities Criteria”
- (Exhibit GB-1) with appropriate minimum score: New construction = All mandatory criteria and a minimum of 25 points on optional criteria Rehabilitation = All mandatory criteria and a minimum of 20 points on optional criteria
- Application demonstrates inclusion of LEED® Accredited Professional (LEED® AP) or experienced green building design specialist as a member of the development team (Exhibits K through N)

Mixed Use Projects

- Residential standards apply to residential portions of project; non-residential standards apply to non-residential portions of project. *All required materials in each category must be included in application for it to be considered complete.*

(A business affiliate is an affiliate with direct management or financial interest.)

(For more information on green building and associated standards, see Section VI of the RFP Reference Guidebook.)

6. **Completeness of application:** Application must comply with all requirements outlined under **Section X** of this RFP. Incomplete applications will be eliminated from funding consideration without further review.

VI. Scoring Criteria

Applications deemed to meet the Eligibility Requirements referenced above will receive further consideration. Proposals for Low Income Housing Tax Credits should refer to the Qualified Allocation Plan for scoring criteria and all other requirements relating to the proposal. Proposals for Department of Mental Health funds will be scored based on the below listed criteria and then compared against all others received for the proposed development type (e.g. rental housing, homeownership, etc.). Proposals for both sources of funds should use both sets of criteria as guides in their proposal submissions. In general, it is DHCD’s goal to provide funding to those projects which provide the greatest public benefit while maximizing the impact of public resources.

1. Meeting DHCD’s Policy Objectives (maximum 20 points)

This score will be determined from the Applicant’s response in Exhibit A.

Proposed projects will be scored according to how closely they meet the policy objectives outlined below, with the greatest consideration given to projects that offer homeownership opportunities or serve homeless individuals or families, or those who are at risk of becoming homeless. Such projects must also provide supportive services to facilitate the transition from homelessness.

DHCD Policy Objectives under this RFP:

- Create permanent housing opportunities, with supportive services, for individuals and families who are homeless or at risk of becoming homeless and/or are DMH consumers;
- Provide housing for elderly persons;
- Provide housing for persons with special needs (see definition in Introduction);
- Preserve existing subsidized housing where federal subsidies are set to expire; and
- Stabilize neighborhoods by providing homeownership opportunities for low and moderate-income households.

2. Impact/Public Benefit (maximum 15 points)

This score will be determined from the Applicant's response in Exhibit A.

This criteria measures the extent to which the project proposes to serve low-income households, with greater consideration given to projects that provide the greatest level of affordability, in an economically integrated environment, for the longest period of time. The objective is to achieve economic integration of subsidized housing by providing mixed-income housing, or by locating affordable housing in neighborhoods that are not poverty impacted, or that are undergoing rapid gentrification. The level of affordability is determined by both the incomes of the families served and the actual number of affordable units in the project. Location of the property also matters: a small 100% subsidized property (as may be appropriate for seniors or supportive housing settings) in an economically integrated neighborhood could achieve the same policy goal as a mixed-income property in a poverty-impacted one.

3. Appropriateness of Site and Design (maximum 10 points)

Appropriateness of Site: proposal must adequately address topography, soil, and grade issues, environmental hazards, zoning requirements, and other special site conditions.

- 5 points = Applicant has completed a Phase 1 environmental site assessment analysis. The applicant has formulated a satisfactory plan to deal with any issues raised through those studies. The applicant has addressed zoning and historic preservation issues and has received approval from the Board of Zoning Adjustment for necessary changes.
- 3 points = Applicant has completed a historical review of property uses and provided a minimal assessment of site and environmental issues (the Environmental Assessment Exhibit of the application). Applicant has identified any issues and budgeted for associated costs. The applicant has identified zoning and historic preservation issues and has received approval from the Board of Zoning Adjustment for necessary changes.
- 0 points = Failure to document the minimum steps outlined for 3 points, above.

Appropriateness of Design: proposed project design must blend with the neighborhood, be structurally sound and cost efficient, and meet the needs of the occupants with appropriate amenities.

- 5 points = Applicant has completed schematic designs. The proposal includes site plans, elevations, and floor layouts. For rehab projects, the proposal does not need site plans or elevations but does need existing layouts and proposed layouts. The design is consistent with neighborhood design characteristics. Amenities and units are appropriate for the tenant population. The project has a defined and realistic cost summary schedule. (Form 212)
- 3 points = Applicant describes project amenities and unit sizes both which are appropriate for the proposed development program and tenant/homeowner population. The project is consistent with neighborhood design characteristics. There is a cost summary and schedule. (Form 212)
- 0 points = Failure to document the minimum steps outlined for 3 points, above.

4. Financial Feasibility (maximum 10 points)

This score will be determined from the Applicant's response in Exhibit W.

- 10 points = There is a complete set of financial documents to support the financing request. The application (Form 202) contains a realistic set of sources and uses, pro forma and operating budget. DHCD's subsidy must be included in the sources and uses. The uses are appropriate for the project and the requested financing source. Letter(s) of commitment from other participating financial sources is/are included.
- 5 points = There is a complete set of financial documents to support the financing request. The application (Form 202) contains a realistic set of sources and uses, pro forma and operating budget. DHCD's subsidy must be included in the sources and uses. The uses are appropriate for the project and the requested financing source. Letter(s) of interest from other participating financial sources is/are included.
- 0 points = Failure to document the minimum steps outlined for 5 points, above.

5. Amount of the Subsidy Request (maximum 10 points)

This score will be determined from the Applicant's response in Exhibit A.

Scoring is based only on DHCD-assisted units in the project. All projects will be assessed relative to other projects of similar type. Subsidy per unit is determined by dividing the DHCD investment by the DHCD assisted units. The greatest consideration will be given to those projects that minimize DHCD's subsidy per-unit cost.

- 10 points = up to \$25,000 subsidy per unit
- 8 points = \$25,001- 50,000 per unit
- 6 points = \$50,001 - \$75,000 per unit
- 4 points = \$75,001- \$100,000 per unit
- 1 point = Over \$100,000 per unit

6. Capacity of the Development Team (maximum 10 points)

This score will be determined from the Applicant's response in Exhibits J through N.

Development teams demonstrating a strong record of capacity will receive more points.

- 10 points = The developer/development team must demonstrate a successful track record in projects of similar size, scale and complexity to the proposed project. The development team includes the appropriate members: developer/applicant, architect, green design professional, development consultant, construction management and/or general contractor, accounting, financial, legal, syndication and property and/or asset management team. Members of the development team must be able to demonstrate and verify a successful performance history in projects of similar type and scale. The development team must also demonstrate the financial capacity to fulfill their respective responsibilities. No members of the development team may have defaulted on any obligation to the District of Columbia within the past 10 years. If the proposed project includes supportive services, a qualified service provider must be a member of the development team.
- 5 points = The developer/developer team must demonstrate a successful track record in projects of similar size, scale and complexity to the proposed project. Most of the members of the development team are experienced and demonstrate successful performance history and financial capacity in projects of similar size, scale and complexity. No members of the development team may have defaulted on any obligation to the District of Columbia within the past 10 years. If the proposed project includes supportive services, a qualified service provider must be a member of the development team.
- 0 points = Failure to document minimum capacity of each member of the development team, including experience consistent with the scope of the proposed project.

7. Coordination with other District Government Agencies (maximum 10 points)

This score will be determined from the Applicant’s response in Exhibit Q.

DHCD will award up to 10 points under this criterion for projects that complement resources (subsidy funding, financial investment, rent supplement, land, real property, etc.) from D.C. Housing Finance Agency, the D.C. Housing Authority, the D.C. Department of Mental Health or other District agencies. Applicants must provide appropriate documentation of resource availability, such as a letter of interest.

8. Leverage (maximum 5 points)

This score will be determined from the Applicant’s response in Exhibit A.

This will measure the extent to which DHCD funds are leveraged with other public and private resources. The leveraging formula will deduct the total DHCD investment from the total development cost and divide the total DHCD investment by the remaining total development cost. The greatest consideration will be given to those projects that achieve the highest leverage ratio.

- 5 points = Leverage ratio of 1:5 or greater
- 4 points = Leverage ratio of 1:3-4.99
- 3 points = Leverage ratio of 1:2-2.99
- 2 points = Leverage ratio of 1:1-1.99

- 1 point = Leverage ratio less than 1:1

9. Timeliness (maximum 5 points)

This score will be determined from the Applicant’s response in Exhibit A.

This will measure the readiness of the site to start construction, including whether the applicant has completed a Phase 1 environmental site assessment analysis, formulated a satisfactory plan to deal with any issues raised through those studies, and has successfully addressed zoning and historic preservation issues. In addition this will measure the length of time necessary to complete rehab/construction with greater consideration given to those projects that will achieve a certificate of occupancy most quickly.

10. Section 3 Residents and Business Concern Participation (maximum 3 points)

This score will be determined from the Applicant’s response in Exhibit Z-4 .

Points will be awarded for the hiring or contracting of Section 3 Residents or Business Concerns above the minimum requirement for this RFP of 5% of new hires.

- 3 points = 20% or greater of new hires
- 2 points = 13% - 19% of new hires
- 1 point = 6% - 12% of new hires

11. Subsidized Family-Oriented Units (2 points)

This score will be determined from the Applicant’s response in Exhibit A.

- 2 points = 33 % or more of project units are 3 or more bedrooms.
- 1 point = 20% – 32 % of project units are 3 or more bedrooms.
- 0 points = Less than 20% of project units are 3 or more bedrooms.

Bonus Points (up to 10 points total)

1) Geographic Targeting (up to 4 points)

This score will be determined from the Applicant’s response in Exhibit E.

Bonus points will be awarded to proposed projects located in the targeted geographic areas, as detailed in Section III of the RFP. One bonus point is available for each targeted geographic area (Neighborhood Investment Fund [NIF], Great Streets Initiative, New Communities Initiative, Neighborhood Revitalization Strategic Areas [NRSA]).

2) Green Design and Building (up to 2 points)

This score will be determined from the Applicant’s response in Exhibit GB.

Bonus points will be awarded for the inclusion of green design elements above the required standard, as follows:

- Residential new construction projects- Green Communities Criteria, attainment of 26 or more optional points

- Residential substantial rehabilitation projects- Green Communities Criteria, attainment of 21 or more optional points

3) Non-Profit Participation (up to 2 points)

This score will be determined from the Applicant's response in Exhibit Q.

Bonus points will be awarded for projects in which non-profit organizations have significant partnership roles (e.g., developer, co-developer, property manager).

4) Use of District of Columbia certified Local Small Disadvantaged Business Enterprises (LSDBE) (up to 2 points)

This score will be determined from the Applicant's response in Exhibit P.

The District of Columbia encourages the maximum utilization of District of Columbia certified Local Small Disadvantaged Business Enterprises (LSDBE) in the development and construction of projects where DHCD is investing resources. Sponsors and developers are encouraged to utilize District certified LSDBEs in all phases of the development process. Sponsors and developers may contact Mr. Andre Banks, of the Office of Local Business Development, at (202) 727-3900 for information on District of Columbia certified LSDBEs. *The minimum requirement is 35% participation; bonus points will be awarded above that threshold.*

- District of Columbia certified LSDBE participation in 36% or more of all available development, construction, and professional opportunities.

VII. Application Review Process & Timing of Awards

Once applications are received, DHCD will first determine whether or not applications conform to the Eligibility Requirements outlined in Section V of the RFP. Applications determined to be ineligible will not be reviewed. All eligible applications will be scored against the scoring criteria outlined in Section VI of the RFP, and then compared against all others received for the proposed development type (e.g. rental housing, homeownership, etc.). Applications will then be forwarded to an Independent Review Panel of industry experts for review. Projects which meet the eligibility requirements and score competitively compared with other proposed projects of similar type will be recommended to DHCD for funding. DHCD will conduct the final review of applications and will select the applications for funding against the funds available.

Timing of Awards DHCD anticipates the announcement of applicant selection for the Underwriting Phase on or about March 24, 2008. The announcement of selection means only that the applicant has been selected to advance to the Underwriting Phase, the outcome of which will impact DHCD's final decision to award funding to a particular project.

Applicants whose projects have been selected to advance to underwriting will be so notified and invited to attend a "kick-off" meeting. The purpose of the "kick-off" meeting is to review the project status as it advances to underwriting, and to gain a common understanding of the requirements, terms and provisions for further processing of the application. After this meeting

has been held, applicants will have 30 days to submit a best and final application. During this 30-day period, DHCD will conduct due diligence, environmental and other regulatory reviews, verify all representations made in the application, and will establish final underwriting terms including (where applicable) loan terms, interest rates, security and collateral requirements and other covenants. DHCD will make its final determination regarding underwriting within 60 days of submission of the best and final application. Commitments from other funding sources must be secured prior to initial loan closing. For more details on the funding process, refer to the *DFD Financing Application Submission Package*, included as an attachment to this RFP.

VIII. Application Guidelines

Application guidelines and requirements are identified below. Detailed guidelines and requirements are contained in the DFD Financing Application Submission Package.

1. ***Applying for Multiple Projects:*** Applicants may apply for funding for more than one project.
2. ***Application Submission:*** Applications must be received at DHCD on or before **4:00 PM, May 18, 2009, Eastern Daylight Time**. Applications must be delivered to DHCD, Development Finance Division, 801 North Capitol Street, N.E., 2nd Floor Receptionist's Desk, Washington, DC 20002. **Please note that no applications will be accepted after the 4:00 PM deadline. DHCD will use a time/date stamp clock to register the application and will monitor the timeliness of applications received.**

Applicants must submit one CD of the application and one signed copy of the application in a three ring binder (with each exhibit tabbed). DHCD will not make copies for applicants. Application documents, other than maps and drawings, must be submitted using a 12 point type size and on 8 ½ x 11 paper.

An individual authorized to obligate the applicant must sign the Application Summary Sheet. By signing the application, the authorized person is also attesting to the truthfulness of the information supplied in the application. Unsigned applications will not be accepted. The Certification documents, including Contract Affidavit, Qualifications Statements, and Monitoring Certification Forms (all in "Exhibits" of Application Submission Package) must also be signed.

3. ***Project Award Provisions:*** All awards are subject to the applicable federal and District of Columbia guidelines and regulations applying to those funds. All awards are subject to the regulatory requirements referenced, and to the availability of District of Columbia or federal funds.

IX. Pre-Proposal Conferences
