Department of Housing and Community Development (DHCD)
Request for Applications (RFA) FY 2009 for
*Legal Services for Homelessness Prevention and Rapid Re-Housing Program***

SECTION 1: GENERAL INFORMATION

Introduction

The District of Columbia Department of Housing and Community Development (DHCD) has received funds from the US Department of Housing and Urban Development (HUD) to develop a program to provide services that support homelessness prevention through the Emergency Shelter Grant (ESG), Homelessness Prevention Rapid Re-Housing Program (HPRP) established under Title XII of Division A of the American Recovery and Reinvestment Act (Recovery Act) of 2009. To implement this program, DHCD will work in partnership with the District's Department of Human Services (DHS) and local non-profit organizations to deliver these services for the District's homeless population.

Purpose of Request for Applications (RFA)

The purpose of this Request for Applications (RFA) is to solicit applications from non-profit organizations to provide a range of legal services to support the District's HPRP initiatives, and to promote compliance with the District's homeless population regulations.

Specifically, the Department seeks grantees to conduct the following activity:

Activity 1: Legal Services: HPRP funds may be used for legal services to help people stay in their homes, such as services or activities provided by a lawyer or other person(s) under the supervision of a lawyer to assist program participants with legal advice and representation in administrative or court proceedings related to tenant/landlord matters or housing issues. Legal services related to mortgages are not eligible.

An applicant should use this application process to evidence its ability to produce positive outcomes for the available services. The applicant must have demonstrated capacity; advocacy on behalf of clients; strong project management; administrative capacity; and a proven track record of delivering timely and professional quality services sought through this RFA. Applications may be submitted for funding to conduct **Activity 1** Legal Services listed above. The Department will make a single award to any organization(s) funded through this RFA.

Award Period

The approved activities under this RFA will begin on October 1, 2009. Activity work plans and budgets are anticipated to be approved for a period of twelve (12) months during FY 2010. At its sole discretion, the Department may choose to extend the agreements for additional periods of up to two (2) years. All selected awardees will be invited to attend a post-award conference where the specific requirements of the awarded grant will be explained.

Award and Amounts

DHCD will evaluate each applicant's work plan and budget for adequate fiscal capability to provide the services indicated. There is no prescribed award amount for Activity 1.

SECTION 2: APPLICANT QUALIFICATIONS

Eligible Organizations

Applications are requested from qualified non-profit organizations and law firms that have a history of providing pro bono services serving the residents of the District of Columbia through initiatives that provide or support the elimination and prevention of homelessness with an array of legal services. These organizations should be able to provide legal services as defined in Activity 1. DHCD encourages applications that reflect the concerns of the homeless population that exist throughout the District of Columbia.

Organizational Capacity

A successful applicant has the staff and board resources available to be an effective change agent in assisting the homeless population. The applicant's overall administrative capacity as it relates to all requirements of program and grants management will be closely examined and reported. Applicants will be evaluated on the basis of financial stability, management capability, credit-worthiness, community support, staff qualifications, ability to provide excellent customer service, ability to track productivity and report results, and demonstrated understanding of issues involved in performing activities required under the HPRP program guidelines.

Any organization selected for funding Activity 1 described in the RFA must:

- submit timely monthly reports on activity accomplishments, along with an analysis of client progress;
- submit timely monthly requisitions for disbursement/invoices according to defined program requirements; and
- have the capacity to create and produce reports from a well developed tracking system upon request.

Governing Body Membership

The successful applicant will demonstrate that its board or other governing body:

Experience-based Evidence of Performance

Proposed activities should result in measurable, quantifiable outcomes for the District's homeless and renter populations.

Partnerships

Successful applicants have the capacity to leverage resources from financial, and other private and public, entities. Therefore, demonstrated working relationships with key stakeholders—including, but not limited to banks and other lenders, law firms, accounting firms, technical assistance providers, federal government agencies, foundations, other non-profits, etc.—are essential qualifications for prospective grant recipients.

Threshold Applicant Requirements (required for the application to be considered for selection)

- The applicant must have written Conflict of Interest policies and procedures governing employees and board members in regard to the award and administration of contracts and other financial interests and benefits. These procedures must include a requirement for the retention of written Conflict of Interest declarations executed by each employee and board member; and

Review Panel

The review panel for this RFA will be composed of neutral, qualified, professional individuals who have been selected for their unique experiences in affordable housing and public service.

When the review panel has completed its evaluations, the panel will make recommendations for awards based on the highest combined scores for Parts 1 and 2 of the application. The Department and the review panel will determine together minimum thresholds for each of Part 1 and Part 2 which must be met in order for an applicant to be awarded funding. The process of evaluating applications may require applicants to make an oral presentation before the panel and/or require the panel to conduct a site visit of the applicant's facility.

Decision on Awards

The recommendations of the review panel are advisory only and are not binding on the Department of Housing and Community Development. The final decision on all awards vests solely with the Director of District of Columbia DHCD. DHCD reserves the right to select more than one grantee. After reviewing the recommendations of the review panel and any other information considered relevant, the Agency Director will determine the award of grant funds to the designated grantee(s). The Agency Director is not required to award grants based on the applications received and reserves the authority to re-advertise for services and activities discussed in this Request for Applications.

Post-Selection

Any applicant which is approved for funding will be required to enter into a grant agreement with DHCD for implementation of the approved activities. This grant agreement will include provisions that will ensure compliance with District laws and regulations and define the terms of the disbursement of funds.

Prior to execution of the grant agreement(s), a successful applicant will meet with DHCD staff to negotiate the specific activities that will be conducted under the grant agreement so that the respondent's mission, stakeholder needs, and District Government priorities are addressed. This effort will result in the detailed work plan, outcome measures, and budget that will become part of the grant agreement.

Upon execution of the agreement, which is anticipated to be at the outset of the first quarter of FY 2010, the organization will be eligible to receive disbursement of funds under the agreement.

In accordance with District requirements, DHCD will conduct periodic evaluations of the awarded organization's use of grant funds. The areas of review will include financial management, internal control structure, regulatory compliance, and program performance. The reviews may also include scheduled or unscheduled site visits. Accordingly, each organization will be required to make available to DHCD all information and records necessary for the completion of its evaluation.
