It shall be deemed a default by District if District fails to perform any obligation or requirement under this Agreement, or fails to comply with any term or provision of this Agreement and such default remains uncured after any applicable cure period (any such uncured default, a “**District Default**”).

8.2 DISTRICT REMEDIES IN THE EVENT OF DEVELOPER DEFAULT

In the event of a Developer Default, District may terminate this Agreement and retain the Deposit, whereupon the Parties shall be released from any further liability or obligation hereunder, except those that expressly survive termination of this Agreement. In the event of a Developer default as defined in Section 8.1.1 of this agreement, Escrow Agent shall pay Deposit to District as full and complete liquidated damages and as the exclusive and sole right and remedy in the event of Developer’s default.

8.3 DEVELOPER REMEDIES IN THE EVENT OF DISTRICT DEFAULT

8.4 NO WAIVER BY DELAY; WAIVER

Notwithstanding anything to the contrary contained herein, any delay by any Party in instituting or prosecuting any actions or proceedings with respect to a Default by the other hereunder or otherwise asserting its rights or pursuing its remedies under this Article, shall not operate as a waiver of such rights or to deprive such Party of or limit such rights in any way (it being the intent of this provision that neither Party shall be constrained by waiver, laches, or otherwise in the exercise of such remedies). Any waiver by either Party hereto must be made in writing. Any waiver in fact made with respect to any specific Default under this Section shall not be considered or treated as a waiver with respect to any other Defaults or with respect to the particular Default except to the extent specifically waived in writing.

The rights and remedies of the Parties set forth in this Article are the sole and exclusive remedies of the Parties for a default hereunder prior to the Closing.

**ARTICLE 9
ASSIGNMENT AND TRANSFER**

9.1 ASSIGNMENT

Developer represents, warrants, covenants, and agrees, for itself and its successors and assigns, that Developer (or any successor in interest thereof) shall not assign its rights under this Agreement, or delegate its obligations under this Agreement, without District's prior written approval, which may be granted or denied in District's sole discretion.

9.2 TRANSFER

In addition to the restrictions contained in the foregoing Section 9.1, neither Developer nor any Member of Developer (including any successors in interest of Developer or its Members) shall cause or suffer to be made any assignment, sale, conveyance or other transfer, or make any contract or agreement to do any of the same, whether directly or indirectly, of the membership interests of Developer.

9.3 NO UNREASONABLE RESTRAINT

Developer hereby acknowledges and agrees that the restrictions on transfers set forth in this Article do not constitute an unreasonable restraint on Developer's right to transfer or otherwise alienate the Property or its rights under this Agreement. Developer hereby waives any and all claims, challenges, and objections that may exist with respect to the enforceability of such restrictions, including any claim that such restrictions constitute an unreasonable restraint on alienation.

**ARTICLE 10
INSURANCE OBLIGATIONS; INDEMNIFICATION**

10.1 INSURANCE OBLIGATIONS

10.1.1 Insurance Coverage. During the periods identified below, and in addition to any insurance policies required under the terms of the Declaration, Developer and/ or its General Contractor, as applicable, shall carry and maintain in full force and effect the following insurance policies:

- (a) **Builder's Risk Insurance** - During construction of the Project, Developer shall maintain builder's risk insurance for the amount of the completed value of the Project (or lesser amount acceptable to District) under a Special Form (Causes of Loss) policy with no co-insurance penalty, including flood risks if the Property is located in a flood zone, insuring the interests of Developer, District and any contractors and subcontractors.
- (b) **Automobile Liability and Commercial General Liability Insurance** - At all times after the Commencement of Construction until such time as all obligations of Developer hereunder have been satisfied or have expired, Developer shall maintain and/or cause its contractor to maintain automobile liability insurance and commercial general liability insurance policies written so that each have a

combined single limit of liability for bodily injury and property damage of not less than one million dollars (\$1,000,000.00) per occurrence, of which at least five hundred thousand dollars (\$500,000.00) must be maintained as primary coverage, and of which the balance may be maintained as umbrella coverage; provided, however, that the foregoing statement as to the amount of insurance Developer is required to carry shall not be construed as any limitation on Developer's liability under this Agreement. The foregoing limits may be increased by District from time to time, in its reasonable discretion.

- (c) Workers' Compensation Insurance - At all times after the Commencement of Construction until such time as all obligations of Developer hereunder have been satisfied or have expired, Developer shall maintain and cause its general contractor and any subcontractors to maintain workers' compensation insurance in such amounts as required by Applicable Laws.
- (d) Professional Liability Insurance - During development of the Project, Developer shall cause its architect and every engineer or other professional who will perform services in connection with the Project to maintain professional liability insurance with limits of not less than one million dollars (\$1,000,000.00) for each occurrence, including coverage for injury or damage arising out of acts or omissions with respect to all design and engineering professional services provided by the architect of record, structural, electrical and mechanical engineers with a deductible acceptable to District.
- (e) Contractor's Pollution Legal Liability Insurance - At all times after the Commencement of Construction until such time as all obligations of Developer hereunder have been satisfied or have expired, Developer shall not remove, store, transport, or dispose of demolition debris, hazardous waste or contaminated soil, without first obtaining (or causing its contractor to obtain) a Contractor's Pollution Legal Liability Insurance Policy covering Developer's liability during such activities with limits of not less than two hundred fifty thousand dollars (\$250,000). The policy shall include such coverage for bodily injury, personal injury, loss of, damage to, or loss of use of property, directly or indirectly arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquid or gas, waste materials, or other irritants, contaminants, or pollutants into or upon the land, the atmosphere, or any water course or body of water, whether it be gradual or sudden and accidental.

10.1.2 General Policy Requirements. Developer shall name District as an additional insured under all policies of liability insurance identified above. Any deductibles with respect to the foregoing insurance policies shall be commercially reasonable. All such policies shall include a waiver of subrogation endorsement. All insurance policies required pursuant to this Section 10.1 shall be written as primary policies, not contributing with or in excess of any coverage that District may carry. Such insurance shall be obtained through a recognized insurance company licensed to do business in the District of Columbia and rated by A.M. BEST as an A-X or above. Prior to any entry onto the Property at any time pursuant to this Agreement, Developer shall furnish to District certificates of insurance (or copies of the policies if requested

by District) together with satisfactory evidence of payment of premiums for such policies. The policies shall contain an agreement by the insurer notifying District in writing, by certified U.S. Mail, return receipt requested, not less than thirty (30) days before any material change, reduction in coverage, cancellation, including cancellation for nonpayment of premium, or other termination thereof or change therein.

10.2 INDEMNIFICATION

Developer shall indemnify, defend, and hold harmless District and the District Parties from and against any and all losses, costs, claims, damages, liabilities, and causes of action (including reasonable attorneys' fees and court costs) arising out of death of or injury to any person or damage to any property occurring on or adjacent to the Property and directly or indirectly caused by any acts done thereon or any acts or omissions of Developer, its Members, agents, employees, or contractors; provided, however, that the foregoing indemnity shall not apply to any losses, costs, claims, damages, liabilities, and causes of action (including reasonable attorneys' fees and court costs) due to the gross negligence or willful misconduct of District. The obligations of Developer under this Section shall survive Closing or the earlier termination of this Agreement.
