There is no other litigation, arbitration, administrative proceeding, or other similar proceeding pending against District which, if decided adversely to District, would impair District's ability to perform its obligations under this Agreement, or which could result in a lien or encumbrance against the Property.
- (d) The execution, delivery, and performance of this Agreement by District and the transactions contemplated hereby between District and Developer do not violate any of the terms, conditions or provisions of any judgment, order, injunction, decree, regulation, or ruling of any court or other governmental authority to which District is subject, or any agreement, contract or Applicable Law to which District is a party or to which it is subject.

3.1.2 Survival. The representations and warranties contained in Section 3.1.1 shall survive Closing for a period of one (1) year. District shall have no liability or obligation hereunder for any representation or warranty that becomes materially untrue because of reasons beyond District's control.

3.2 REPRESENTATIONS AND WARRANTIES OF DEVELOPER

3.2.1 Developer hereby covenants, represents, and warrants to District as follows:

- (a) Developer is a District of Columbia limited liability company, duly formed, validly existing and in good standing under the laws of the District of Columbia, and has full power and authority under the laws of the District of Columbia to conduct the business in which it is now engaged. There is no Member owning

directly or indirectly any interest in Developer or its Members, which is a Prohibited Person.

- (b) The execution, delivery, and performance of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Developer. Upon the due execution and delivery of the Agreement by Developer, this Agreement constitutes the valid and binding obligation of Developer, enforceable in accordance with its terms.
- (c) The execution, delivery, and performance of this Agreement and the consummation of the transactions contemplated hereby do not violate any of the terms, conditions, or provisions of (i) Developer's organizational documents, (ii) any judgment, order, injunction, decree, regulation, or ruling of any court or other governmental authority, or Applicable Law to which Developer is subject, or (iii) any agreement or contract to which Developer is a party or to which it is subject.
- (d) No agent, broker, or other Person acting pursuant to express or implied authority of Developer is entitled to any commission or finder's fee in connection with the transactions contemplated by this Agreement or will be entitled to make any claim against District for a commission or finder's fee. Developer has not dealt with any agent or broker in connection with its purchase of the Property.
- (e) There is no litigation, arbitration, administrative proceeding, or other similar proceeding pending against Developer that, if decided adversely to Developer, (i) would impair Developer's ability to enter into and perform its obligations under this Agreement or (ii) would materially adversely affect the financial condition or operations of the Developer.
- (f) Developer's purchase of the Property and its other undertakings pursuant to this Agreement are for the purpose of constructing the Project in accordance with the Development Plan and Project Drawings and not for speculation in land holding.
- (g) Neither Developer nor any of its Members are the subject debtor under any federal, state, or local bankruptcy or insolvency proceeding, or any other proceeding for dissolution, liquidation or winding up of its assets.

3.2.2 Survival. The representations and warranties contained in Section 3.2.1 shall survive Closing for a period of one year. Developer shall have no liability or obligation hereunder for any representation or warranty that becomes materially untrue because of reasons beyond Developer's control.

ARTICLE 4
SUBMISSION AND APPROVAL OF PROJECT DRAWINGS;
APPROVAL OF MILESTONES

4.1 PROJECT DRAWINGS

4.1.1 Developer's Submissions for the Project. Developer shall submit to District for District's review and approval, the following drawings, plans and specifications (collectively, the "**Project Drawings**") for the Project within the timeframes specified below:

- (a) One hundred percent (100%) complete Schematic Plans, together with the proposed Development Plan, based on the Concept Plans within forty-five (45) days after the Effective Date; and
- (b) Fifty percent (50%) of the Construction Plans and Specifications to be completed and submitted to District within thirty (30) calendar days after the Effective Date and one hundred percent (100%) complete Construction Plans and Specifications within sixty (60) calendar days after the Effective Date. As part of the final submission, Developer shall also provide District with a description of all interior and exterior finishes of each Residential Unit and the appliances and equipment to be included therein.

All Project Drawings shall be prepared and completed in accordance with this Agreement. As used in this Agreement, the term "**Project Drawings**" shall include any approved changes to such Project Drawings.

4.1.2 Approval by District. Notwithstanding anything to the contrary herein, prior to application for any Permit, Developer shall cause the Project Drawings applicable to such Permit to become Approved Plans and Specifications (as defined Section 4.2.1) prior to their application. All of the Project Drawings shall conform to and be consistent with applicable zoning requirements and shall comply with the following:

- (a) The Project Drawings shall be prepared or supervised by and signed by Developer's architect.
- (b) A structural, geotechnical, and civil engineer, as applicable, who is licensed by the District of Columbia, shall review and certify all final foundation and grading designs.
- (c) Upon Developer's submission of all Project Drawings to District, Developer's architect shall certify (on a form reasonably acceptable to District) that the Improvements have been designed in accordance with all Applicable Laws relating to accessibility for persons with disabilities.

4.1.3 Delay Caused By District. The dates set forth in Sections 4.1.1 and 6.1.1 shall be extended on a day-for-day basis for each day of delay caused by District due to its failure to timely respond to any prior submission, as more particularly described in Section 4.2.1 below.

For purposes of calculating any period of such delay, the thirty (30) day period set forth in Section 4.2.1 shall control, such that the day-for-day extension shall commence as of the 31st calendar day after the applicable submission by Developer.

4.2 DISTRICT REVIEW AND APPROVAL OF PROJECT DRAWINGS

4.2.1 Generally. District shall have the right to review and approve or disapprove all or any part of each of the Project Drawings. District shall use good faith efforts to complete its review of each submission by Developer and provide a written response thereto, within thirty (30) days after its receipt of the same. Any Project Drawings approved (or any approved portions thereof) pursuant to this Section 4.2 shall be deemed “**Approved Plans and Specifications.**”

4.2.2 Disapproval Notices. Any notice of disapproval (“**Disapproval Notice**”) shall state in reasonable detail the basis for such disapproval. If District issues a Disapproval Notice, Developer shall revise the Project Drawings to address the objections of District and shall resubmit the revised Project Drawings for approval. Any Approved Plans and Specifications may not be later disapproved by District unless any disapproval and revision is mutually agreed upon by the Parties. District’s review of any submission that is responsive to a Disapproval Notice shall be limited to the matters disapproved by District as set forth in the Disapproval Notice, but shall not be so limited with regard to any new matters shown on such submission that were not included or indicated on any prior submission.

4.2.3 Submission Deadline Extensions. If Developer is proceeding diligently and in good faith and desires to extend a specified deadline for submission of a particular Project Drawing, Developer may request such extension in writing, and, for good cause shown, District may, in its sole but reasonable discretion, grant such extension by written notice.

4.2.4 No Representation; No Liability. District’s review and approval of the Project Drawings is not and shall not be construed as a representation or other assurance that they comply with any building codes, regulations, or standards, including, without limitation, building engineering and structural design or any other Applicable Laws. District shall incur no liability in connection with its review of any Project Drawings and is reviewing such Project Drawings solely for the purpose of protecting its own interests.

4.3 CHANGES IN APPROVED PLANS AND SPECIFICATIONS

No Material Changes (as defined below) to the Approved Plans and Specifications shall be made without District’s prior written approval. If Developer desires to make any Material Changes to the Approved Plans and Specifications, Developer shall submit the proposed changes in writing to District for approval, which approval shall be granted or withheld in District’s sole discretion. District agrees that it shall respond to any such request within a reasonable period of time, not to exceed sixty (60) days. As used herein, “Material Changes” include but are not limited to changes that will: (i) increase the Project Budget, (ii) require additional zoning approvals, (iii) increase or decrease the number of Residential Units beyond initially approved by

the District, (iv) change the finishes or amenities originally approved by the District, or (v) will cause an increase in the Initial Sales Prices shown on Exhibit H.

4.4 PROGRESS MEETINGS/CONSULTATION

During the preparation of the Project Drawings, District's staff and Developer, at the request of District's staff, shall hold periodic progress meetings as appropriate considering the progress of Developer's plans and specifications. During such meetings, Developer and District staff shall coordinate the preparation and submission of the Project Drawings as well as their review by District.

ARTICLE 5 CONDITIONS TO CLOSING

5.1 CONDITIONS PRECEDENT TO DEVELOPER'S OBLIGATION TO CLOSE

5.1.1 The obligations of Developer to consummate the Closing on the Closing Date shall be subject to the following conditions precedent:

- (a) District shall have performed all obligations hereunder required to be performed by District prior to the Closing Date;
- (b) the representations and warranties made by District in Section 3.1 of this Agreement shall be true and correct in all material respects on and as if made on the Closing Date;
- (c) District shall have performed all of its material obligations and observed and complied with all material covenants and conditions required at or prior to Closing under this Agreement;
- (d) District shall have delivered (or caused to be delivered) the original, executed, and where applicable notarized, documents required to be delivered pursuant to Section 6.2.1 herein;
- (e) as of the Closing Date, there shall be no rezoning or other statute, law, judicial, or administrative decision, ordinance, or regulation (including amendments and modifications of any of the foregoing) by any governmental authorities or any public or private utility having jurisdiction over the Property that would materially adversely affect the acquisition, development, sale, or use of the Property such that the Project is no longer physically or economically feasible. This provision shall not apply to any normal and customary reassessment of the Property for ad valorem real estate tax purposes;
- (f) title to the Property shall be subject only to the Permitted Exceptions; and

- (g) Developer shall have obtained the conditional commitment letter issued by the Development Finance Division (“DFD”) (the “DFD Commitment”) in accordance with Section 5.3.

5.1.2 Failure of Condition. If all of the conditions to Closing set forth above in Section 5.1.1 have not been satisfied by the Closing Date, provided the same is not the result of Developer’s failure to perform any obligation of Developer hereunder, Developer shall have the option to (i) waive such condition and proceed to Closing hereunder; (ii) terminate this Agreement by written notice to District, whereby District will release the Initial Deposit to Developer and the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement; or (iii) delay Closing for up to three (3) months to permit District to satisfy the conditions to Closing set forth in Section 5.1.1. In the event Developer proceeds under clause (iii), Closing shall occur within thirty (30) days after the conditions precedent set forth in Section 5.1.1 have been satisfied, but if such conditions precedent have not been satisfied by the end of the three (3) month period, provided the same is not the result of Developer’s failure to perform any obligation of the Developer hereunder, the Developer may again proceed under clause (i) or (ii) above. The foregoing notwithstanding, Closing shall not occur after the Closing Date. If Closing has not occurred by such date, this Agreement shall immediately terminate and be of no further force and effect, except those provisions that expressly survive termination.

5.2 CONDITIONS PRECEDENT TO DISTRICT'S OBLIGATION TO CLOSE

5.2.1 The obligation of District to convey the Property and perform the other obligations it is required to perform on the Closing Date shall be subject to the following conditions precedent:

- (a) Developer shall have performed all obligations hereunder required to be performed by Developer prior to the Closing Date.
- (b) The representations and warranties made by Developer in Section 3.2 of this Agreement shall be true and correct in all material respects on and as if made on the Closing Date.
- (c) The Development Plan and all Project Drawings for the Project shall have been approved as Approved Plans and Specifications in their entirety pursuant to Article 4.
- (d) Developer shall be ready, willing, and able in accordance with the terms and conditions of this Agreement to acquire the Property and proceed with the development of the Project in accordance with the Approved Plans and Specifications and the Declaration.
- (e) Developer shall have executed a First Source Agreement and a CBE Agreement
- (f) Developer shall have furnished to District certificates of insurance or duplicate originals of insurance policies required of Developer hereunder.

- (g) Developer shall have provided satisfactory evidence of its authority to acquire the Property and perform its obligations under this Agreement.
- (h) Developer shall have applied for and be diligently pursuing from the District of Columbia, or other authority having jurisdiction over the Property, approval of any zoning changes, lot consolidations or subdivisions, or other approvals.
- (i) Developer shall have obtained all Permits required under Section 105A of Title 12A of the D.C. Municipal Regulations.
- (j) Developer shall have delivered (or caused to be delivered) the original, executed, and where applicable notarized documents required to be delivered pursuant to Section 6.2.2 herein.
- (k) Developer shall have secured all equity and debt financing necessary to construct the Project pursuant to this Agreement and the Declaration.
- (l) Settlement Agent shall have irrevocably committed itself in writing to issue a title insurance policy for the Property at regular rates, free and clear of all encumbrances, subject only to the Permitted Exceptions.

5.2.2 Failure of Condition. If all of the conditions to Closing set forth above in Section 5.2.1 have not been satisfied by the Closing Date, provided the same is not the result of District's failure to perform any obligation of District hereunder, District shall have the option, at its sole discretion, to (i) terminate this Agreement by written notice to Developer and retain the Initial Deposit (District shall be entitled to keep any Cash Deposit and all accrued interest thereon or draw on the Deposit Letter of Credit in its full amount), whereupon the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement or (ii) delay Closing for up to three (3) months, to permit Developer to satisfy the conditions to Closing set forth in Section 5.2.1. In the event District proceeds under clause (ii), Closing shall occur within thirty (30) days after the conditions precedent set forth in Section 5.2.1 have been satisfied, but if such conditions precedent have not been satisfied by the end of the three (3) month period, District may again proceed under clause (i) above, in its sole discretion. The foregoing notwithstanding, Closing shall not occur after the Closing Date. If Closing has not occurred by such date, this Agreement shall immediately terminate and be of no further force and effect.

5.3. Financing Contingency. Developer and District agree that the Developer's obligation to close is contingent on Developer obtaining a commitment from DFD to provide financing for the Project ("**DHCD Financing**"), on before _____. Notwithstanding the foregoing, the Developer shall not be able to terminate this Agreement for a failure to obtain DHCD Financing, unless: (i) Developer submits within 10 Business Days after the Effective Date of this Agreement, an application for financing with DFD, (ii) Developer promptly, within five Business Days of a request, responds or provides any information requested by DFD and/or the District in connection with the DHCD Financing, and (iii) promptly (within three (3) Business Days of receipt or knowledge) provides the District with copies of all communications and

correspondence between the Developer and DFD (collectively, the “**Developer Financing Obligations**”).

5.3.1 Developer acknowledges that DHCD Financing may consist of any one or a package of bridge, mezzanine or gap loans, grants or loan guaranties provided by or made available by DFD to Developer to allow Developer to build the Project in accordance with the Declaration and the Schedule of Affordable Units. Developer acknowledges and agrees that the terms and conditions of the DHCD Financing shall be determined by DFD, and that such terms and conditions may include, but are not limited to the Developer: (i) making an equity contribution to the Project, (ii) granting a deed of trust in the Property and/or providing other collateral, (iii) agreeing to cross-default provisions, (iv) obtaining third party commercial loans, (v) providing guaranties or indemnities and (vi) capping its fees and profit.

5.3.2 If the Developer has complied with the Developer Financing Obligations, but has not received a conditional approval, commitment letter or draft loan documents from DFD for DHCD Financing or has received a denial or disapproval letter from DFD for DHCD Financing on or before August 31, 2010, then the Developer shall have the right to terminate this Agreement in accordance with Section 5.1.2 of this Agreement and the Parties shall have no further rights or obligations with respect to this Agreement, except as provided herein.

ARTICLE 6 CLOSING

6.1 CLOSING DATE

6.1.1 Closing on the Property shall be held on or before thirty (30) days after the date the District has approved the Project Drawings, and in accordance with the Schedule of Performance.

Closing shall occur at a time and place within the District of Columbia designated by Developer and agreed to by District, such agreement not to be unreasonably withheld, conditioned or delayed.

6.1.2 The Closing Date shall not occur later than scheduled except if delay results, despite the best efforts of Developer, from (i) the failure of the government of the District of Columbia or other authority having jurisdiction over the Property to grant Developer any Permit (despite timely application therefor) or (ii) Developer’s failure to submit any Project Drawings timely, which failure is caused exclusively to the delay of the government of the District of Columbia (or to another authority with jurisdiction over the Property) in issuing a Permit or other approval, then the Closing Date shall be extended day-for-day during the period of such delay, but in no event not more than sixty (60) days.

6.2 DELIVERIES AT CLOSING

 - (iv) Any financial statements of Developer that may be requested by District;
 - (v) If requested by District, an opinion of counsel that Developer is validly organized, existing and in good standing in the District of Columbia, that Developer has the full authority and legal right to carry out the terms of this Agreement and the documents to be recorded in the Land Records, that Developer has taken all actions to authorize the execution, delivery, and performance of said documents and any other document relating thereto in accordance with their respective terms, that none of the aforesaid actions, undertakings, or agreements violate any restriction, term, condition, or provision of the organizational documents of Developer or any contract or agreement to which Developer is a party or by which it is bound.

- (m) Any and all other deliveries required from District on the Closing Date under this Agreement and such other documents and instruments as are customary and as may be reasonably requested by District or Settlement Agent to effectuate the transactions contemplated by this Agreement.

6.2.3 On the Closing Date, Settlement Agent shall record and distribute documents and funds in accordance with closing instructions provided by the Parties so long as they are consistent with this Agreement.

6.3 RECORDATION OF CLOSING DOCUMENTS; CLOSING COSTS

6.3.1 At Closing, Settlement Agent shall file for recordation among the Land Records the Deed, the Affordability Covenant and the Declaration.

6.3.2 At Closing, District shall be responsible for and pay the following costs: District's attorneys' fees and Settlement Agent's charges customarily paid by sellers. ARTICLE 7 DEVELOPMENT OF PROJECT IMPROVEMENTS; COVENANTS

7.1 OBLIGATION TO CONSTRUCT IMPROVEMENTS

Developer hereby agrees to develop and construct the Project in accordance with the requirements contained in the Declaration. The Improvements shall be constructed in compliance with all Permits and Applicable Laws and in a first-class and diligent manner in accordance with industry standards. The cost of developing the Project shall be borne solely by Developer. As further assurance of the above and of the covenants contained in the Declaration, Developer shall cause the Development and Completion Guaranty to be executed by Guarantors on or before Closing. Within fifteen (15) days after the Effective Date hereof, Guarantor shall submit to District updated, unaudited financial statements (certified by such Guarantor as being true, correct, and complete) and unaudited balance sheets, profit and loss statements, cash flow statements, other financial reports, and other financial information of such Guarantor as District may reasonably request.

7.2 ISSUANCE OF PERMITS

Developer shall have the sole responsibility for obtaining all Permits and shall make application therefor directly to the applicable agency within the District of Columbia government or other authority. District shall, upon request by Developer, execute applications for such Permits as are required by the District of Columbia government or other authority, at no cost,

expense, obligation, or liability to District. In no event shall Developer commence site work or construction of all or any portion of the Project until Developer shall have obtained all Permits for the work in question. Developer shall submit its application for Permits within a period of time that Developer believes in good faith is sufficient to allow issuance of such Permits prior to the date of Closing. From and after the date of Developer's submission of an application for a Permit, Developer shall diligently prosecute such application until receipt. In addition, from and after submission of any such application until issuance of the Permit, Developer shall report Permit status in writing every thirty (30) days to District.

7.3 SITE PREPARATION

Developer, at its sole cost and expense, shall be responsible for all preparation of the Property for development and construction in accordance with the Development Plan and Approved Plans and Specifications, including costs associated with excavation, construction of the Project, utility relocation and abandonment, relocation and rearrangement of water and sewer lines and hook-ups, and construction or repair of alley ways on the Property and abutting public property necessary for the Project. All such work, including but not limited to, excavation, backfill, and upgrading of the lighting and drainage, shall be performed under all required Permits and in accordance with all appropriate District of Columbia agency approvals and government standards, and Applicable Laws.

7.4 AFFORDABILITY COVENANT

Developer agrees that a portion of the Residential Units to be developed in the Project shall be dedicated as Affordable Units, as required in the Affordability Covenant, in accordance with the schedule attached as Exhibit H.

7.5 OPPORTUNITY FOR CBEs

In cooperation with District, Developer agrees that it will promote opportunities for businesses certified by DSLBD, or any successor governmental entity, as Certified Business Enterprises (“CBEs”) in the equity, development, construction, and operation of the Project consistent with the CBE Agreement to be entered into between DSLBD and Developer prior to Closing.

7.6 EMPLOYMENT OF DISTRICT RESIDENTS; FIRST SOURCE AGREEMENT

Pursuant to Mayor's Order 83-265, DC Law 5-93, as amended, and DC Law 14-24, Developer recognizes that one of the primary goals of the District of Columbia government is the creation of job opportunities for District of Columbia residents. Accordingly, Developer agrees to enter into a First Source Agreement, prior to Closing, with DOES that shall, among other things, require the Developer to: (i) use diligent efforts to hire and use diligent efforts to require its architects, engineers, consultants, contractors, and subcontractors to hire at least fifty one percent (51%) District of Columbia residents for all new jobs created by the Project, all in accordance with such First Source Employment Agreement and (ii) use diligent efforts to ensure that at least fifty one percent (51%) of apprentices and trainees employed are residents of the

7.7 GREEN BUILDING REQUIREMENTS

Developer hereby acknowledges that the Project may be subject to the provisions of the Green Building Requirements described in Chapter 14A of Title VI of the D.C. Official Code, 2001 Ed., §6-1451.01 *et seq.* (2008 Supp.) (the “**Green Building Requirements**”). Under the Green Building Requirements, a residential project with 10,000 square feet of gross floor area or more, including a project with multiple buildings that are a part of one development scheme, may be required to submit a Green Communities Self Certification Check List and verification of meeting Green Communities requirements for energy efficiency to the Department of Consumer and Regulatory Affairs as part of the application for a certificate of occupancy.

ARTICLE 8 DEFAULTS AND REMEDIES

8.1 DEFAULT

8.1.1 Default by Developer. It shall be deemed a default by Developer if Developer fails to perform any obligation or requirement under this Agreement or fails to comply with any term or provision of this Agreement and such default remains uncured for thirty (30) days after receipt of written notice of such failure from District (except no notice shall be necessary nor shall any cure period apply to Developer’s obligation to close on its acquisition of the Property, time being of the essence) (any such uncured default, a “**Developer Default**”). Notwithstanding the foregoing, if a default does not involve the payment of money and cannot reasonably be cured within thirty (30) days, Developer shall have such additional time as is reasonably necessary, not to exceed an additional forty-five (45) days, to cure such default; provided, however, Developer must commence the cure within the initial thirty (30) day period and diligently pursue completion of such cure thereafter. Notwithstanding the foregoing, in the event of a pre-Closing default, the cure periods provided herein shall not delay the Closing Date and shall terminate on the Closing Date.

8.1.2 Default by District. Except for Article 4, it shall be deemed a default by District if District fails to perform any obligation or requirement under this Agreement or fails to comply with any term or provision of this Agreement and such default remains uncured for thirty (30) days after receipt of written notice of such failure from Developer (any such uncured default, a “**District Default**”). Notwithstanding the foregoing, if a default cannot reasonably be cured within thirty (30) days, District shall have such additional time as is reasonably necessary, not to exceed an additional forty-five (45) days, to cure such default; provided, however, District must commence the cure within the initial thirty (30) day period and diligently pursue completion of such cure thereafter. Notwithstanding the foregoing, in the event of a pre-Closing default, the cure periods provided herein shall not delay the Closing Date and shall terminate on the Closing Date. The District shall not be deemed in default for any act or omission related to any

obligation under Article 4, and any time for performance shall be adjusted as provided in Section 4.1.3.

8.2 DISTRICT REMEDIES IN THE EVENT OF DEVELOPER DEFAULT

In the event of a Developer Default, District may terminate this Agreement and retain the Initial Deposit as liquidated damages (District shall be entitled to keep any Cash Deposit and any accrued interest thereon or draw on the Deposit Letter of Credit in its full amount), whereupon the Parties shall be released from any further liability or obligation hereunder, except those that expressly survive termination of this Agreement. Upon such termination, all plans and specifications with regard to the development and construction of the Project, including, without limitation, the Project Drawings produced to date and any Permits obtained, shall be automatically assigned to District free and clear of all liens and claims for payment.

8.3 DEVELOPER REMEDIES IN THE EVENT OF DISTRICT DEFAULT

In the event of a District Default, Developer may terminate this Agreement whereupon District will release the Initial Deposit to Developer and the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement, or (ii) seek specific performance of the Agreement.

8.4 NO WAIVER BY DELAY; WAIVER

Notwithstanding anything to the contrary contained herein, any delay by any Party in instituting or prosecuting any actions or proceedings with respect to a default by the other hereunder or otherwise asserting its rights or pursuing its remedies under this Article, shall not operate as a waiver of such rights or to deprive such Party of or limit such rights in any way (it being the intent of this provision that neither Party shall be constrained by waiver, laches, or otherwise in the exercise of such remedies). Any waiver by either Party hereto must be made in writing. Any waiver in fact made with respect to any specific default under this Section shall not be considered or treated as a waiver with respect to any other defaults or with respect to the particular default except to the extent specifically waived in writing.

8.5 RIGHTS AND REMEDIES

The rights and remedies of the Parties set forth in this Article are the sole and exclusive remedies of the Parties for a default hereunder prior to the Closing.

ARTICLE 10 ASSIGNMENT AND TRANSFER

10.1 ASSIGNMENT

Developer represents, warrants, covenants, and agrees, for itself and its successors and assigns, that Developer (or any successor in interest thereof) shall not assign its rights under this Agreement, or delegate its obligations under this Agreement, without District's prior written approval, which may be granted or denied in District's sole discretion. Notwithstanding the

foregoing, Developer shall have the right, upon prior written notice to District, to assign this Agreement to Guarantor.

10.2 TRANSFER

In addition to the restrictions contained in the foregoing Section 10.1, neither Developer nor any Member of Developer (including any successors in interest of Developer or its Members) shall cause or suffer to be made any assignment, sale, conveyance or other transfer, or make any contract or agreement to do any of the same, whether directly or indirectly, of the membership interests of Developer.

10.3 NO UNREASONABLE RESTRAINT

Developer hereby acknowledges and agrees that the restrictions on transfers set forth in this Article do not constitute an unreasonable restraint on Developer's right to transfer or otherwise alienate the Property or its rights under this Agreement. Developer hereby waives any and all claims, challenges, and objections that may exist with respect to the enforceability of such restrictions, including any claim that such restrictions constitute an unreasonable restraint on alienation.

ARTICLE 11 INSURANCE OBLIGATIONS; INDEMNIFICATION

11.1 INSURANCE OBLIGATIONS

11.1.1 Insurance Coverage. At all times after the Effective Date of this Agreement, until such time as all obligations of Developer hereunder have been satisfied or have expired, Developer shall carry and maintain in full force and effect the following insurance policies:

- (a) Automobile Liability and Commercial General Liability Insurance - Developer shall maintain and/or cause its contractor to maintain automobile liability insurance and commercial general liability insurance policies written so that each have a combined single limit of liability for bodily injury and property damage of not less than three million dollars (\$3,000,000.00) per occurrence, of which at least one million dollars (\$1,000,000.00) must be maintained as primary coverage, and of which the balance may be maintained as umbrella coverage; provided, however, that the foregoing statement as to the amount of insurance Developer is required to carry shall not be construed as any limitation on Developer's liability under this Agreement. The foregoing limits may be increased by District from time to time, in its reasonable discretion.
- (b) Workers' Compensation Insurance - Developer shall maintain and cause its general contractor and any subcontractors to maintain workers' compensation insurance in such amounts as required by Applicable Laws.
- (c) Professional Liability Insurance - Developer shall cause its architect and every engineer or other professional who will perform services in connection with the
