

**CERTIFIED BUSINESS ENTERPRISE  
UTILIZATION AND PARTICIPATION AGREEMENT**

**THIS CERTIFIED BUSINESS ENTERPRISE UTILIZATION AND PARTICIPATION AGREEMENT** (this “Agreement”) is made by and between the **DISTRICT OF COLUMBIA DEPARTMENT OF SMALL AND LOCAL BUSINESS DEVELOPMENT**, (the “DSLBD”) and \_\_\_\_\_, a District of Columbia limited liability company, or its designees, successors or assigns (the “Developer”).

**RECITALS**

A. Pursuant to a Land Disposition and Development Agreement dated as of \_\_\_\_\_ between the Developer and the **DISTRICT OF COLUMBIA**, Developer intends to provide for the phased development of a \_\_\_\_\_ (the “Project”).

B. Pursuant to the Land Disposition and Development Agreement, the Developer covenants that it has executed and will comply in all respects with this Certified Business Enterprise Utilization and Participation Agreement.

C. Capitalized terms not defined herein shall have the meaning assigned to them in the Development Agreement.

**NOW, THEREFORE**, for and in consideration of the mutual covenants and agreements contained herein, the receipt and adequacy of which is hereby acknowledged by both parties hereto, DSLBD and the Developer agree, as follows:

**ARTICLE I  
UTILIZATION OF CERTIFIED BUSINESS ENTERPRISES**

**Section 1.1 CBE Utilization.** Developer, on its behalf and/or on behalf of its successors and assigns (if any), shall hire and contract with Certified Business Enterprises certified pursuant to the Small, Local and Disadvantaged Business Enterprise Development and Assistance Act of 2005, as amended (the “Act”) (D.C. Law 16-33; D.C. Official Code § 2-218.01 *et seq.*) (each a “CBE”) in connection with the predevelopment and development phases of the Project, including, but not limited to, professional and technical services, construction management, and construction trade work, and suppliers. Developer shall expend funds contracting and procuring goods and services from CBEs in an amount equivalent to *no less than* thirty-five percent (35%) of the Adjusted Development Budget (the “CBE Minimum Expenditure”). As detailed in Attachment 1 hereto, the Adjusted Development Budget is \$ \_\_\_\_\_. The CBE Minimum Expenditure is therefore \$ \_\_\_\_\_.

**Section 1.2 Capacity Building Incentives.** Developer acknowledges that a priority of the District of Columbia is to assist local businesses in developing greater capacity, technical capabilities and valuable experience, especially in areas of development and construction related services. To that end, the parties agree that Developer will have the right to earn and receive certain incentives for engaging in activities that are likely to create opportunities for CBEs

***CBE AGREEMENT – LAND TRANSFER TEMPLATE***

generally, and to facilitate capacity building for Disadvantaged Business Enterprises as defined in the Act (“DBEs”) in particular. Such incentives when earned by Developer will be applied by DSLBD to reduce Developer’s CBE utilization requirements set forth in Section 1.1 of this Agreement.

(a) The Developer shall devise a list of professional services, trade specialties, or other vocational areas in which CBEs either lack capacity, lack depth, or in which such firms traditionally do not participate as prime contractors in construction projects of this nature and size (each, a “Target Sector”), and submit the list to DSLBD for approval within thirty (30) days of signing this Agreement. CBEs identified on the list shall not be eligible for a bonus, as described in paragraphs (1), (2), and (3) below (“Reporting Bonus”), unless the list is approved by DLSBD. Such list shall be attached hereto as Attachment 2 and made a part of this Agreement.

(1) For every dollar expended with a *DBE* for services that fall *within* a Target Sector, Developer shall receive credit for \$1.50 against the CBE Minimum Expenditure. For example, a \$100,000 contract award paid to a DBE Construction Management firm within the Target Sector would be counted as \$150,000 by DSLBD when measuring Developer’s performance against the CBE Minimum Expenditure.

(2) For every dollar expended with a *CBE* that is not a DBE for services that fall *within* a Target Sector, Developer shall receive credit for \$1.25 against the CBE Minimum Expenditure. For example, a \$100,000 contract award paid to a CBE Construction Management firm within the Target Sector would be counted as \$125,000 by DSLBD when measuring Developer’s performance against the CBE Minimum Expenditure.

(3) For every dollar expended with a *DBE* for services *not* included in a Target Sector, Developer shall receive a credit for \$1.25 against the CBE Minimum Expenditure. For example, a \$100,000 contract award paid to a DBE Construction Management firm outside of the Target Sector would be counted as \$125,000 by DSLBD when measuring Developer’s performance against the CBE Minimum Expenditure.

(b) Every contract, purchase or task order (as applicable) issued by Developer to CBE firms, either directly or indirectly, which Developer believes should qualify for the Reporting Bonus shall be subject to review and approval by the Director of DSLBD (the “Director”) to ensure that the scope of work is properly characterized within a Target Sector. The Reporting Bonus will not be credited to Developer unless the Director approves the specific procurement, provided, however, that a negative determination will not preclude Developer from receiving standard credit (either 1:1 or 1.25:1, as applicable) for the expenditure as set forth herein.

(c) The parties may mutually agree in writing to additional incentives that may be earned by Developer for instituting additional capacity building initiatives for CBEs (*e.g.*, pay without delay programs; establishment of strategic partnerships or mentor-protégé initiatives). In particular, Developer is encouraged to work with its general contractors and/or construction

managers to develop more flexible criteria for pre-qualifying CBEs for participation on the mixed-use projects. The modified pre-qualification criteria should consider the size and economic wherewithal usually present in small contractors as well as insurance and bonding requirements. Developer is also highly encouraged to establish CBE set-asides for certain procurements that will restrict bidders to those bid packages.

**ARTICLE II  
CBE OUTREACH AND RECRUITMENT EFFORTS**

**Section 2.1 Identification of CBEs and Outreach Efforts.** Developer shall utilize the resources of DSLBD, including the *CBE Business Center* found on DSLBD’s website (<http://dslbd.dc.gov>). In particular, Developer shall publish all contracting opportunities for this Project within the CBE Business Center’s Business Opportunities area. Developer shall use the CBE Company Directory as the primary source for identifying CBEs. The primary contact regarding CBE referrals shall be the Director or such other DSLBD representative as the Director may designate. Developer may use other resources to identify individuals or businesses that could qualify as CBEs and is encouraged to refer any such firms to DSLBD’s Certification unit for certification. Throughout the duration of the Project, Developer or its general contractor/construction manager shall (as set forth in Section 4.1) periodically publish notices in any of the following newspapers primarily serving the District of Columbia: *The Current Newspapers, The Washington Informer, the Washington Afro-American, Common Denominator, Washington Blade, Asian Fortune* and *El Tiempo Latino* (or if any of them should cease to exist, their successor, and if there is no successor, in another newspaper of general circulation) to inform CBEs, and entities which could qualify as CBEs, about the business opportunities. In the event that Developer develops a website for the Project, such website shall (i) advertise upcoming bid packages, (ii) present instructions on how to bid, and (iii) directly link to DLSBD’s website.

**ARTICLE III  
INFORMATION SUBMISSIONS AND REPORTING**

**Section 3.1 CBE Utilization Plans.** Developer shall require its general contractor to submit a CBE utilization plan to DSLBD for approval no less than thirty (30) days following the date of this Agreement, which plans shall be automatically incorporated and made a part of this Agreement as Attachment 3 following approval by DSLBD (each, a “Utilization Plan”). Each Utilization Plan shall list all of the projected procurement items, quantities and estimated costs, bid opening and closing dates, and start-up and completion dates. This plan should indicate whether any items will be bid without restriction in the open market, or limited to CBEs. Developer may not deviate materially from the steps and actions set forth in each Utilization Plan without first obtaining the written consent of the Director. For ease of monitoring, Developer agrees to work with DSLBD to implement procedures for its general contractor to submit Utilization Plans electronically through the DSLBD compliance administration database, as applicable.

**Section 3.2 Quarterly Reports.** Throughout the duration of the construction of the Project, Developer will submit quarterly contracting and subcontracting expenditure reports for the Project which identify:

- (i) those contracts where the party providing services, goods or materials was a CBE, including the name of the company and the amount of the contract;
- (ii) the nature of the contract;
- (iii) the amount actually paid by Developer to the CBE under such contract that month and to date;
- (iv) the certification categories for each vendor/contractor;
- (v) the work performed by vendors/contractors in Target Sector(s) and relevant multipliers; and
- (vi) the percentage of overall development expenditures which were to CBEs.

These reports shall be submitted no later than thirty days (30) after the end of each quarter. The reports shall be submitted on a form provided by DSLBD (a prototype of this form is included as Attachment 4). However, DSLBD reserves the right to reasonably amend this form, after consultation with the Developer. This report shall also describe the Developer’s outreach efforts (if any) during the reporting period, to identify CBEs and/or encourage them to bid on or otherwise apply to provide labor, services, goods, and materials for use in the construction or operation of the development project. Companies that may be eligible for certification, but are not yet certified, or whose certification is pending with DSLBD shall not be included in these reports unless and until the company is certified. Further, only amounts expended after a company is certified shall be counted towards the CBE Minimum Expenditure. Concurrently with submission of the quarterly reports, Developer shall also submit vendor verification forms (each, a “Vendor Verification Form”) substantially in the form of Attachment 5.

## **ARTICLE IV GENERAL CONTRACTORS AND CONSTRUCTION MANAGERS**

**Section 4.1 Adherence to CBE Minimum Expenditure.** Developer shall require in its contractual agreements with the general contractor and/or construction manager for the development project, as applicable, (the “General Contractor”), that the General Contractor comply with the relevant obligations and responsibilities of Developer contained in this Agreement with respect to achieving the applicable CBE Minimum Expenditure. Developer further agrees to inform the General Contractor and subcontractors of the other obligations and requirements applicable to Developer under this Agreement. Developer shall inform the General Contractor that non-compliance with this Agreement may negatively impact future opportunities with the District for the Developer and the General Contractor respectively. Specifically, Developer will obtain the following commitments from its General Contractor (“GC”):

- (i) The GC will publish a public notice in a newspaper whose primary circulation is in the District of Columbia (*e.g. Afro American, Washington Informer, El Tiempo Latino, Asian Fortune, The Current Newspapers, etc.*), for the purpose of soliciting bids for products or services being sought for construction and renovation projects and will allow a reasonable time (*e.g., no less than 30 business days*) for all bidders to respond to the invitations or requests for bids.
- (ii) The GC will contact DSLDB to obtain a current listing of all CBEs qualified to bid on procurements as they arise and will make full use of the CBE Business Center found at <http://dslbd.dc.gov> for listing opportunities and for subcontracting compliance monitoring.
- (iii) In order to achieve the applicable CBE Minimum Expenditure for the mixed-use project, Developer shall require in its contractual agreements with the GC, that the GC provide a CBE bidder that is not the low bidder an opportunity to provide its final best offer before contract award, provided the CBE bid price is among the top 3 bidders.
- (iv) The GC will not require that CBEs provide bonding on contracts with a dollar value less than \$100,000, provided that in lieu of bonding the GC may accept a job specific certificate of insurance.
- (v) The GC will include in all contracts and subcontracts to CBEs, a process for alternative dispute resolution. This process shall afford an opportunity for CBEs to submit documentation of work performed and invoices by regarding requests for payments. Included in the contract shall be a mutually agreed upon provision for mediation (to be conducted by DSLBD) or arbitration in accordance with the rules of the American Arbitration Association.
- (vi) The GC and subcontractors shall strictly adhere to their contractual obligations to pay all subcontractors in accordance with the contractually agreed upon schedule for payments. In the event that there is a delay in payment to the general contractor, the GC is to immediately notify the subcontractor and advise as to the date on which payment can be expected.
- (vii) The GC commits to pay all CBEs, within fifteen (15) days following the GC's receipt of a payment which includes funds for such subcontractors, from the Developer. Developer also agrees to establish a procedure for giving notice to the subcontractors of the Developer's payment to the GC.

**ARTICLE V  
EQUITY AND DEVELOPMENT PARTICIPATION**

**Section 5.1 Minimum LSDBE Participation Requirements.** Developer acknowledges and agrees that businesses certified pursuant to the Act, as local, small and disadvantaged business enterprises ("LSDBEs"), shall receive no less than twenty percent (20%) in equity participation

and no less than twenty percent (20%) in development participation in the Project, in accordance with Section 2349a of the Act, D.C. Official Code § 2-218.49a. To address the aforementioned requirements, a Memorandum of Understanding (“MOU”) between DEVELOPER, LSDBE-1, and LSDBE-2, attached as Attachment 7 and incorporated herein by reference, was executed. DEVELOPER, LSDBE-1, and LSDBE-2, anticipate forming a limited liability company known as DEVELOPER-2 to serve as the Developer of the Project. Pursuant to section 5 titled “Member Responsibilities” on page 2 of the MOU, DEVELOPER (a certified LBE and DZE), will be the 80% managing member of DEVELOPER-2, LSDBE-1 (a certified LSDBE) will be a 15% partner, and LSDBE-2 (a certified LSDBE) will be a 5% partner.

**Section 5.2 Pari Passu Returns for LSDBE Equity Partner(s).** Developer agrees that the LSDBE partners shall receive a return on investment in the Project that is pari passu with all other sources of sponsor developer equity. In addition, if LSDBE partners elect to contribute additional capital to the Project, they will receive the same returns as DEVELOPER with respect to such additional capital.

**Section 5.3 Preservation of LSDBE Financial Interest.** The LSDBE partners’ equity interests shall not be diluted over the course of the Project, including for failure to contribute additional capital, pursuant to section 6 titled “Member Interests” on page 2 of the MOU.

**Section 5.4 LSDBE Risk Commensurate With Equity Position.** No LSDBE partner shall be expected to bear financial or execution requirements that are out of proportion with the LSDBE partners’ equity position in Developer and/or the Project. An LSDBE partner’s contribution will be in direct proportion to its interest in DEVELOPER-2 and pari passu with DEVELOPER.

**Section 5.5 Management Control and Approval Rights.** Pursuant to section 8 titled “Management / Governance” on page 3 of the MOU, all partners will have management control and approval rights in line with their equity position. All major decisions involving DEVELOPER-2, including the admission of new members, borrowings and financings, dissolution and other material actions, will require the unanimous consent of all partners. Any reduction of the carried interest payable to an LSDBE partner from Developer shall be a major decision. In voting on all major decisions affecting Developer, DEVELOPER must consult with the LSDBE partners regarding all such decisions, and in no event shall the LSDBE partners’ equity interest in Developer be reduced or modified without their consent.

**Section 5.6 LSDBE Inclusion, Recognition, Access and Involvement.** Developer acknowledges that a priority of the District is to ensure that LSDBE partners on development projects are granted and encouraged to maintain active involvement in all phases of the development effort, from initial-pre-development activities through development completion and ongoing asset management. To assist LSDBE partners in gaining the skills necessary to participate in larger development efforts, Developer agrees to provide all LSDBE partners full and open access to information utilized in project execution, including, for example, market studies, financial analyses, project plans and schedules, third-party consultant reports, etc. Developer agrees to consistently represent and include LSDBE partners of Developer as team members through such actions as joint naming (if applicable), advertising, and branding opportunities that incorporate LSDBE partners. LSDBE partners of Developer shall not be

precluded from selling services back to Developer. Pursuant to section 5 titled “Member Responsibilities” on page 2 of the MOU, at a minimum, the LSDBE partners will participate in budget, schedule, and strategy meetings. LSDBE partners may also participate in the negotiation of development agreements, creating a site plan, managing design development, hiring and managing consultants, seeking and securing zoning and entitlements, developing and monitoring budgets, apply for and securing financing, performing due diligence, marketing and sales of all units, and any other tasks necessary to the development and construction of the project.

**ARTICLE VI  
CONTINGENT CONTRIBUTIONS**

**Section 6.1 Contingent Contributions for Failure to Meet CBE Minimum Expenditure.** At the conclusion of the Project, DSLBD shall measure the percentage difference between the CBE Minimum Expenditure and Developer’s actual expenditures. If Developer’s actual expenditures are less than the CBE Minimum Expenditure, DSLBD shall identify the percentage difference (the “Shortfall”). If Developer fails to meet its CBE Minimum Expenditure within 60 days of the conclusion of the Project, which shall be determined by issuance of certificate(s) of occupancy for the Project, Developer shall make the following payments (each, a “Contingent Contribution”), which shall be paid to the District of Columbia in the time and in a manner to be determined by DSLBD. The Contingent Contributions shall be based on twenty-five percent (25%) of the CBE Minimum Expenditure (the “Contribution Fund”). The Contribution Fund is therefore \$\_\_\_\_\_.

- (i) If the Shortfall is more than 50% of the CBE Minimum Expenditure, Developer shall make a Contingent Contribution of one hundred percent (100%) of the Contribution Fund. For example, if at the conclusion of the Project, the Shortfall is 60%, Developer shall make a Contingent Contribution of \$\_\_\_\_\_.
- (ii) If the Shortfall is between 10% and 50% of the CBE Minimum Expenditure, Developer shall make a Contingent Contribution that is the percentage of the Contribution Fund that is equal to the Shortfall. For example, if the Shortfall is 20%, the Developer shall make a Contingent Contribution of 20% of the Contribution Fund, *i.e.*, \$\_\_\_\_\_.
- (iii) If the Shortfall is less than 10% of the CBE Minimum Expenditure, and Developer has taken all actions reasonably necessary (as reasonably determined by DSLBD based on Developer’s reports and other verifiable evidence) to achieve the CBE Minimum Expenditure, the Developer shall not be required to make a Contingent Contribution. The Developer may meet its burden to demonstrate it has taken all actions reasonably necessary to achieve its CBE Minimum Expenditure by (1) fulfilling all CBE outreach and recruitment efforts identified in Article II of this Agreement; (2) complying with Article IV of this Agreement; (3) providing evidence of the General Contractors’ compliance with

the commitments set forth in Article IV of this Agreement, and (4) by taking the following actions, among other things<sup>1</sup>:

- a. In connection with the preparation of future bid packages, if any, develop a list of media outlets that target CBEs and *potential* CBEs hereafter referred to as “Target Audience” based on D.C. certification criteria;
  - b. During the initial construction of the Project, place advertisements in media outlets that address the Target Audience on a regular basis (*i.e.*, each time a new bid package is sent out) and advertise the programmatic activities established pursuant to the Agreement on an as needed basis;
  - c. Fax and/or email new procurement opportunity alerts to targeted CBEs according to trade category;
  - d. In connection with the preparation of future bid packages, if any, develop a list of academic institutions, business and community organizations that represent the Target Audience so that they may provide updated information on available opportunities to their constituents;
  - e. Make presentations and conduct pre-bid conferences advising of contracting opportunities for the Target Audience either one-on-one or through targeted business organizations;
  - f. Provide up to ten (10) sets of free plans and specifications for business organizations representing Target Audiences upon request;
  - g. Commit to promoting opportunities for joint ventures between non-CBE and CBE firms to further grow CBEs and increase contract participation.
- (iv) If the Shortfall is less than 10% of the CBE Minimum Expenditure, but Developer has *not* taken all actions reasonably necessary (as reasonably determined by DSLBD based on Developer’s reports and other verifiable evidence) to achieve the CBE Minimum Expenditure, Developer shall make a Contingent Contribution that is the percentage of the Contribution Fund that is equal to the Shortfall. For example, if the Shortfall is 5%, the Developer shall make a Contingent Contribution of 5% of the Contribution Fund, *i.e.*, \$\_\_\_\_\_.

**Section 6.2 Failure to Meet Equity and Development Participation Requirements.** Failure to comply with the equity and development participation requirements of Article V of this Agreement shall constitute a material breach of this Agreement and of the Land Disposition and Development Agreement.

**Section 6.3 Other Remedies.** Failure to make any required Contingent Contribution in the time and manner specified by DSLBD shall be a material breach of this Agreement. In the event that the Developer breaches any of its obligations under this Agreement, in addition to the remedies

---

<sup>1</sup> See Attachment 6 for a list of suggested outreach activities.

stated herein, DSLBD does not waive its right to seek any other remedy against the Developer, the general contractor of the Project and any manager of the Project that might otherwise be available at law or in equity, including specific performance.

**Section 6.4 Waiver of Contingent Contributions.** Any Contingent Contribution required under this Section may be rescinded or modified by the Director upon consideration of the totality of the circumstances affecting such noncompliance.

**ARTICLE VII  
MISCELLANEOUS**

**Section 7.1 Primary Contact.** The Director, or his or her designee, shall be the primary point of contact for Developer for the purposes of collecting or providing information, or carrying out any of the activities under this Agreement. **Section 7.2 Notices.** Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to either party shall be deemed to have been received when personally delivered or transmitted by telecopy or facsimile transmission (which shall be immediately confirmed by telephone and shall be followed by mailing an original of the same within 24 hours after such transmission) or 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows:

**Section 7.4 Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of any permitted successors and assigns of the parties hereto. This Agreement shall not be assigned by the Developer without the prior written consent of the DSLBD, which consent shall not be unreasonably withheld or delayed. In connection with any such consent of DSLBD, DSLBD may condition its consent upon the acceptability of the financial condition of the proposed assignee, upon the assignee’s express assumption of all obligations of the Developer hereunder or upon any other reasonable factor which DSLBD deems relevant in the circumstances. **Section 7.6 Governing Law.** This Agreement shall be governed by the laws of the District of Columbia.

**Section 7.7 Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original.
