All of the Project Drawings shall conform to and be consistent with applicable zoning requirements and shall comply with the following:

- (a) The Project Drawings shall be prepared or supervised by and signed by Developer’s architect.
- (b) A structural, geotechnical, and civil engineer, as applicable, who is licensed by the District of Columbia, shall review and certify all final foundation and grading designs.
- (c) Upon Developer's submission of all Project Drawings to District, Developer’s architect shall certify (on a form reasonably acceptable to District) that the Improvements have been designed in accordance with all Applicable Laws relating to accessibility for persons with disabilities.

4.1.3 Delay Caused By District. The dates set forth in Sections 4.1.1 shall be extended on a day-for-day basis for each day of delay caused by District due to its failure to timely respond to any prior submission, as more particularly described in Section 4.2.1 below. For purposes of calculating any period of such delay, the thirty (30) day period set forth in Section 4.2.1 shall control, such that the day-for-day extension shall commence as of the 31st calendar day after the applicable submission by Developer.

#### 4.2 DISTRICT REVIEW AND APPROVAL OF PROJECT DRAWINGS

4.2.1 Generally. District shall have the right to review and approve or disapprove all or any part of each of the Project Drawings. District shall use good faith efforts to complete its review of each submission by Developer and provide a written response thereto, within thirty (30) days after its receipt of the same. If a Disapproval Notice, as defined in Section 4.2.2, is not sent to Developer within thirty (30) days of submission of the Project Drawings, the Project Drawings shall be deemed approved. Any Project Drawings approved (or any approved portions thereof) pursuant to this Section 4.2 shall be “**Approved Plans and Specifications.**”

4.2.2 Disapproval Notices. Any notice of disapproval (“**Disapproval Notice**”) shall state in reasonable detail the basis for such disapproval. If District issues a Disapproval Notice, Developer shall revise the Project Drawings to address the objections of District and shall resubmit the revised Project Drawings for approval. Any Approved Plans and Specifications may not be later disapproved by District unless any disapproval and revision is mutually agreed upon by the Parties. District’s review of any submission that is responsive to a Disapproval Notice shall be limited to the matters disapproved by District as set forth in the Disapproval

Notice, but shall not be so limited with regard to any new matters shown on such submission that were not included or indicated on any prior submission.

4.2.3 Submission Deadline Extensions. If Developer is proceeding diligently and in good faith and desires to extend a specified deadline for submission of a particular Project Drawing, Developer may request such extension in writing, and, for good cause shown, District may, in its sole discretion, grant such extension by written notice.

4.2.4 No Representation; No Liability. District's review and approval of the Project Drawings is not and shall not be construed as a representation or other assurance that they comply with any building codes, regulations, or standards, including, without limitation, building engineering and structural design or any other Applicable Laws. District shall incur no liability in connection with its review of any Project Drawings and is reviewing such Project Drawings solely for the purpose of protecting its own interests.

#### 4.3 CHANGES IN APPROVED PLANS AND SPECIFICATIONS

No Material Changes (as defined below) to the Approved Plans and Specifications shall be made without District's prior written approval. If Developer desires to make any Material Changes to the Approved Plans and Specifications, Developer shall submit the proposed changes in writing to District for approval, which approval shall be granted or withheld in District's sole discretion. District agrees that it shall respond to any such request within a reasonable period of time, not to exceed sixty (60) days. If District does not send a Disapproval Notice within sixty (60) days the amended Plans and Specifications shall be deemed approved. Material Changes include but are not limited to changes that will: (i) increase the Project Budget, (ii) require additional zoning approvals, (iii) increase or decrease the number of Residential Units beyond initially approved by the District, (iv) change the finishes or amenities originally approved by the District, or (v) will cause an increase in the Initial Sales Prices shown on Exhibit G.

#### 4.4 PROGRESS MEETINGS/CONSULTATION

During the preparation of the Project Drawings, District's staff and Developer, at the request of District's staff, shall upon reasonable notice hold periodic progress meetings as appropriate considering the progress of Developer's plans and specifications. During such meetings, Developer and District staff shall coordinate the preparation and submission of the Project Drawings as well as their review by District.

### **ARTICLE 5 CONDITIONS TO CLOSING**

#### 5.1 CONDITIONS PRECEDENT TO DEVELOPER'S OBLIGATION TO CLOSE

5.1.1 The obligations of Developer to consummate the Closing on the Closing Date shall be subject to the following conditions precedent:

- (a) District shall have performed all obligations hereunder required to be performed by District prior to the Closing Date.

- (b) The representations and warranties made by District in Section 3.1 of this Agreement shall be true and correct in all material respects on and as if made on the Closing Date.

- (d) District shall have delivered (or caused to be delivered) the original, executed, and, where applicable, notarized documents required to be delivered pursuant to Section 6.2.1 herein.
- (e) As of the Closing Date, there shall be no rezoning or other statute, law, judicial, or administrative decision, ordinance, or regulation (including amendments and modifications of any of the foregoing) by any governmental authorities or any public or private utility having jurisdiction over the Property that would materially adversely affect the acquisition, development, sale, or use of the Property such that the Project is no longer physically or economically feasible. This provision shall not apply to any normal and customary reassessment of the Property for ad valorem real estate tax purposes.
- (f) Title to the Property shall be subject only to the Permitted Exceptions.

5.1.2 Failure of Condition. If all of the conditions to Closing set forth above in Section 5.1.1 have not been satisfied by the Closing Date, provided the same is not the result of Developer's failure to perform any obligation of Developer hereunder, Developer shall have the option to: (i) waive such condition and proceed to Closing hereunder; (ii) terminate this Agreement by written notice to District, whereby District will release the Performance Bond to Developer and the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement; or (iii) delay Closing for up to three (3) months to permit District to satisfy the conditions to Closing set forth in Section 5.1.1. In the event Developer proceeds under clause (iii), Closing shall occur within thirty (30) days after the conditions precedent set forth in Section 5.1.1 have been satisfied, but if such conditions precedent have not been satisfied by the end of the three (3) month period, provided the same is not the result of Developer's failure to perform any obligation of the Developer hereunder, the Developer may again proceed under clause (i) or (ii) above. The foregoing notwithstanding, Closing shall not occur after the Outside Closing Date. If Closing has not occurred by such date, this Agreement shall immediately terminate and be of no further force and effect, except those provisions that expressly survive termination.

## 5.2 CONDITIONS PRECEDENT TO DISTRICT'S OBLIGATION TO CLOSE

5.2.1 The obligation of District to convey the Property and perform the other obligations it is required to perform on the Closing Date shall be subject to the following conditions precedent:

- (a) Developer shall have performed all obligations hereunder required to be performed by Developer prior to the Closing Date.
- (b) The representations and warranties made by Developer in Section 3.2 of this Agreement shall be true and correct in all material respects on and as if made on the Closing Date.
- (c) The Development Plan and all Project Drawings for the Project shall have been approved as Approved Plans and Specifications in their entirety pursuant to Article 4.
- (d) Developer shall be ready, willing, and able in accordance with the terms and conditions of this Agreement to acquire the Property and proceed with the development of the Project in accordance with the Approved Plans and Specifications and the Declaration.
- (e) Intentionally deleted.
- (f) Developer shall have furnished to District certificates of insurance or duplicate originals of insurance policies required of Developer hereunder.
- (g) Developer shall have provided satisfactory evidence of its authority to acquire the Property and perform its obligations under this Agreement.
- (h) Developer shall with the cooperation of the District, but at no cost to the District, have applied for and be diligently pursuing from the District of Columbia, or other authority having jurisdiction over the Property, approval of any zoning changes, lot consolidations or subdivisions, or other approvals.
- (i) Developer shall have obtained all Permits or an approval letter with the only condition being the payment of a fee to obtain all Permits required under Section 105A of Title 12A of the D.C. Municipal Regulations.
- (j) Developer shall have delivered (or caused to be delivered) the original, executed, and where applicable, notarized documents required to be delivered pursuant to Section 6.2.2 herein.
- (k) Developer shall have secured all equity and debt financing necessary to construct the Project pursuant to this Agreement and the Declaration.
- (l) Settlement Agent shall have irrevocably committed itself in writing to issue a title insurance policy for the Property at regular rates, free and clear of all encumbrances, subject only to the Permitted Exceptions.

5.2.2 Failure of Condition. If all of the conditions to Closing set forth above in Section 5.2.1 have not been satisfied by the Closing Date, provided the same is not the result of District's failure to perform any obligation of District hereunder, District shall have the option, at its sole discretion, to: (i) terminate this Agreement by written notice to Developer and the

District shall be entitled to keep the Performance Bond, whereupon the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement or (ii) delay Closing for up to three (3) months, to permit Developer to satisfy the conditions to Closing set forth in Section 5.2.1. In the event District proceeds under clause (ii), Closing shall occur within thirty (30) days after the conditions precedent set forth in Section 5.2.1 have been satisfied, but if such conditions precedent have not been satisfied by the end of the three (3) month period, District may again proceed under clause (i) above, in its sole discretion. The foregoing notwithstanding, Closing shall not occur after the Outside Closing Date. If Closing has not occurred by such date, this Agreement shall immediately terminate and be of no further force and effect.

## **ARTICLE 6 CLOSING**

### **6.1 CLOSING DATE**

6.1.1 Closing on the Property shall be held within 90 days from the Effective Date of this Agreement (the “**Closing Date**”).

Notwithstanding any provision in this Agreement to the contrary, in no event shall the Closing Date be held after August 2, 2011 (the “**Outside Closing Date**”). Closing shall occur at a time and place within the District of Columbia designated by Developer and agreed to by District, such agreement not to be unreasonably withheld, conditioned or delayed.

6.1.2 The date of Closing shall not occur later than the Outside Closing Date except if delay results, despite the best efforts of Developer, from (i) the failure of the government of the District of Columbia or other authority having jurisdiction over the Property to grant Developer any Permit (despite timely application therefore) or (ii) Developer’s failure to submit any Project Drawings timely, which failure is caused exclusively to the delay of the government of the District of Columbia (or to another authority with jurisdiction over the Property) in issuing a Permit or other approval, then the Closing Date shall be extended day-for-day during the period of such delay, but in no event not more than sixty (60) days.

### **6.2 DELIVERIES AT CLOSING**

- (j) Any and all other deliveries required from District on the Closing Date under this Agreement and such other documents and instruments as are customary and as may be reasonably requested by District or Settlement Agent to effectuate the transactions contemplated by this Agreement.

6.2.3 On the Closing Date, Settlement Agent shall record and distribute documents and funds in accordance with closing instructions provided by the Parties so long as they are consistent with this Agreement.

### 6.3 RECORDATION OF CLOSING DOCUMENTS; CLOSING COSTS

6.3.1 At Closing, Settlement Agent shall file for recordation among the Land Records the Deed, the Affordability Covenant and the Declaration.

6.3.2 At Closing, District shall be responsible for and pay the following costs: District's attorneys' fees and Settlement Agent's charges customarily paid by sellers. At Closing, Developer shall be responsible for and pay the following costs: Developer's attorneys' fees, Settlement Agent's charges customarily paid by purchasers, D.C. real property deed recordation tax imposed pursuant to Title 42, Chapter 11 of the D.C. Official Code (2001 ed. and as amended), fees and costs associated with Developer's financing for its acquisition of the Property and construction of the Project, fees and costs associated with recording any documents in the Land Records required to be recorded pursuant to this Agreement.

## **ARTICLE 7 DEVELOPMENT OF PROJECT IMPROVEMENTS; COVENANTS**

### 7.1 OBLIGATION TO CONSTRUCT IMPROVEMENTS

Developer hereby agrees to develop and construct the Project in accordance with the requirements contained in the Declaration. The Improvements shall be constructed in

compliance with all Permits and Applicable Laws and in a first-class and diligent manner in accordance with industry standards. The cost of developing the Project shall be borne solely by Developer.

## 7.2 ISSUANCE OF PERMITS

Developer shall have the sole responsibility for obtaining all Permits and shall apply directly to the applicable agency within the District of Columbia government or other authority. District shall, upon request by Developer, execute applications for such Permits as are required by the District of Columbia government or other authority, at no cost, expense, obligation, or liability to District. In no event shall Developer commence site work or construction of any portion of the Project until Developer shall have obtained all Permits necessary for the work in question. Developer shall submit its application for Permits required excavation, sheeting and shoring for the Project within a period of time that Developer believes in good faith is sufficient to allow issuance of such Permits prior to the date of Closing. From and after the date of Developer's submission of an application for a Permit, Developer shall diligently prosecute such application until receipt. In addition, from and after submission of any such application until issuance of the Permit, Developer shall report Permit status in writing every thirty (30) days to District, or upon request.

## 7.3 SITE PREPARATION

Developer, at its sole cost and expense, shall be responsible for all preparation of the Property for development and construction in accordance with the Development Plan and Approved Plans and Specifications, including costs associated with excavation, construction of the Project, utility relocation and abandonment, relocation and rearrangement of water and sewer lines and hook-ups, and construction or repair of alley ways on the Property and abutting public property necessary for the Project. All such work, including but not limited to, excavation, backfill, and upgrading of the lighting and drainage, shall be performed under all required Permits and in accordance with all appropriate District of Columbia agency approvals and government standards, and Applicable Laws.

## 7.4 CONSTRUCTION WARRANTY

Developer shall warrant to the initial homeowner of each Residential Unit, their successors and assigns, for a period of 2 years from the date of Developer's sale to the initial homeowner, that the construction performed on such Residential Unit is free from defects in material and workmanship and that the Project's mechanical, HVAC, electrical and plumbing systems are free from defects (the "**Construction Warranty**"). The Construction Warranty shall be in the form attached hereto as **Exhibit J**.

## 7.5 AFFORDABILITY COVENANT

Developer agrees that a portion of the Residential Units to be developed in the Project shall be dedicated as Affordable Units, as required in the Affordability Covenant, in accordance with the schedule attached as **Exhibit G**.

## 7.6 OPPORTUNITY FOR CBEs

## 7.7 GREEN BUILDING REQUIREMENTS

Developer hereby acknowledges that the Project may be subject to the provisions of the Green Building Requirements described in Chapter 14A of Title VI of the D.C. Official Code, 2001 Ed., §6-1451.01 *et seq.* (2008 Supp.) (the “**Green Building Requirements**”). Under the Green Building Requirements, a residential project with 10,000 square feet of gross floor area or more, including a project with multiple buildings that are a part of one development scheme, may be required to submit a Green Communities Self Certification Check List and verification of meeting Green Communities requirements for energy efficiency to the Department of Consumer and Regulatory Affairs as part of the application for a certificate of occupancy.

# ARTICLE 8 DEFAULTS AND REMEDIES

## 8.1 DEFAULT

8.1.1 Default by Developer. It shall be deemed a default by Developer if Developer fails to perform any obligation or requirement under this Agreement or fails to comply with any term or provision of this Agreement and such default remains uncured after any applicable cure period (any such uncured default, a “**Developer Default**”).

8.1.2 Default by District. Except for Article 4, it shall be deemed a default by District if District fails to perform any obligation or requirement under this Agreement, or fails to comply with any term or provision of this Agreement and such default remains uncured after any applicable cure period (any such uncured default, a “**District Default**”). The District shall not be deemed in default for any act or omission related to any obligation under Article 4.

## 8.2 DISTRICT REMEDIES IN THE EVENT OF DEVELOPER DEFAULT

In the event of a Developer Default, District may terminate this Agreement and draw on the Performance Bond in its full amount, whereupon the Parties shall be released from any further liability or obligation hereunder, except those that expressly survive termination of this Agreement. Upon such termination, all plans and specifications with regard to the development and construction of the Project, including, without limitation, the Project Drawings produced to date and any Permits obtained, shall be automatically assigned to District free and clear of all liens and claims for payment.

### 8.3 DEVELOPER REMEDIES IN THE EVENT OF DISTRICT DEFAULT

In the event of a District Default, Developer may (i) terminate this Agreement whereupon District will release the Performance Bond to Developer and the Parties shall be released from any further liability or obligation hereunder except those that expressly survive termination of this Agreement, or (ii) seek specific performance of the Agreement.

### 8.4 NO WAIVER BY DELAY; WAIVER

Notwithstanding anything to the contrary contained herein, any delay by any Party in instituting or prosecuting any actions or proceedings with respect to a default by the other hereunder or otherwise asserting its rights or pursuing its remedies under this Article, shall not operate as a waiver of such rights or to deprive such Party of or limit such rights in any way (it being the intent of this provision that neither Party shall be constrained by waiver, laches, or otherwise in the exercise of such remedies). Any waiver by either Party hereto must be made in writing. Any waiver in fact made with respect to any specific default under this Section shall not be considered or treated as a waiver with respect to any other defaults or with respect to the particular default except to the extent specifically waived in writing.

### 8.5 RIGHTS AND REMEDIES

The rights and remedies of the Parties set forth in this Article are the sole and exclusive remedies of the Parties for a default hereunder prior to the Closing.

## **ARTICLE 9 ASSIGNMENT AND TRANSFER**

### 9.1 ASSIGNMENT

Developer represents, warrants, covenants, and agrees, for itself and its successors and assigns, that Developer (or any successor in interest thereof) shall not assign its rights under this Agreement, or delegate its obligations under this Agreement, without District's prior written approval, which may be granted or denied in District's sole discretion.

### 9.2 TRANSFER

In addition to the restrictions contained in the foregoing Section 9.1, neither Developer nor any Member of Developer (including any successors in interest of Developer or its Members) shall cause or suffer to be made any assignment, sale, conveyance or other transfer, or make any contract or agreement to do any of the same, whether directly or indirectly, of the membership interests of Developer.

### 9.3 NO UNREASONABLE RESTRAINT

Developer hereby acknowledges and agrees that the restrictions on transfers set forth in this Article do not constitute an unreasonable restraint on Developer's right to transfer or

otherwise alienate the Property or its rights under this Agreement. Developer hereby waives any and all claims, challenges, and objections that may exist with respect to the enforceability of such restrictions, including any claim that such restrictions constitute an unreasonable restraint on alienation.

## **ARTICLE 10 INSURANCE OBLIGATIONS; INDEMNIFICATION**

### **10.1 INSURANCE OBLIGATIONS**

10.1.1 Insurance Coverage. At all times after the Effective Date of this Agreement, until such time as all obligations of Developer hereunder have been satisfied or have expired, Developer shall carry and maintain in full force and affect the following insurance policies:

- (a) Automobile Liability and Commercial General Liability Insurance - Developer shall maintain and/or cause its contractor to maintain automobile liability insurance and commercial general liability insurance policies written so that each have a combined single limit of liability for bodily injury and property damage of not less than three million dollars (\$3,000,000.00) per occurrence, of which at least one million dollars (\$1,000,000.00) must be maintained as primary coverage, and of which the balance may be maintained as umbrella coverage; provided, however, that the foregoing statement as to the amount of insurance Developer is required to carry shall not be construed as any limitation on Developer's liability under this Agreement. The foregoing limits may be increased by District from time to time, in its reasonable discretion.
- (b) Workers' Compensation Insurance - Developer shall maintain and cause its general contractor and any subcontractors to maintain workers' compensation insurance in such amounts as required by Applicable Laws.
- (c) Professional Liability Insurance - Developer shall cause its architect and every engineer or other professional who will perform services in connection with the Project to maintain professional liability insurance with limits of not less than one million dollars (\$1,000,000.00) for each occurrence, including coverage for injury or damage arising out of acts or omissions with respect to all design and engineering professional services provided by the architect of record, structural, electrical and mechanical engineers with a deductible acceptable to District.
- (d) Contractor's Pollution Legal Liability Insurance - Developer shall not remove, store, transport, or dispose of demolition debris, hazardous waste or contaminated soil, without first obtaining (or causing its contractor to obtain) a Contractor's Pollution Legal Liability Insurance Policy covering Developer's liability during such activities. The policy shall include such coverage for bodily injury, personal injury, loss of, damage to, or loss of use of property, directly or indirectly arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquid or gas, waste materials, or other irritants,

contaminants, or pollutants into or upon the land, the atmosphere, or any water course or body of water, whether it be gradual or sudden and accidental.

10.1.2 General Policy Requirements. Developer shall name District as an additional insured under all policies of liability insurance identified above. Any deductibles with respect to the foregoing insurance policies shall be commercially reasonable. All such policies shall include a waiver of subrogation endorsement. All insurance policies required pursuant to this Section 10.1 shall be written as primary policies, not contributing with or in excess of any coverage that District may carry. Such insurance shall be obtained through a recognized insurance company licensed to do business in the District of Columbia and rated by A.M. BEST as an A-X or above. Prior to any entry onto the Property at any time pursuant to this Agreement, Developer shall furnish to District certificates of insurance (or copies of the policies if requested by District) together with satisfactory evidence of payment of premiums for such policies. The policies shall contain an agreement by the insurer notifying District in writing, by certified U.S. Mail, return receipt requested, not less than thirty (30) days before any material change, reduction in coverage, cancellation, including cancellation for nonpayment of premium, or other termination thereof or change therein.

## 10.2 INDEMNIFICATION

Developer shall indemnify, defend, and hold harmless District and the District Parties from and against any and all losses, costs, claims, damages, liabilities, and causes of action (including reasonable attorneys' fees and court costs) arising out of death of or injury to any person or damage to any property occurring on or adjacent to the Property and directly or indirectly caused by any acts done thereon or any acts or omissions of Developer, its Members, agents, employees, or contractors; provided, however, that the foregoing indemnity shall not apply to any losses, costs, claims, damages, liabilities, and causes of action (including reasonable attorneys' fees and court costs) due to the gross negligence or willful misconduct of District. The obligations of Developer under this Section shall survive Closing or the earlier termination of this Agreement.

**ARTICLE 12  
MISCELLANEOUS**

12.1 PARTY IN POSITION OF SURETY WITH RESPECT TO OBLIGATIONS

Developer, for itself and its successors and assigns and for all other Persons who are or who shall become, whether by express or implied assumption or otherwise, liable upon or subject to any obligation or burden under the Agreement, hereby waives, to the fullest extent permitted

by law and equity, any and all claims or defenses otherwise available on the grounds of its being or having become a Person in the position of surety, whether real, personal, or otherwise or whether by agreement or operation of law, including, without limitation any and all claims and defenses based upon extension of time, indulgence or modification of this Agreement.

## 12.2 FORCE MAJEURE

Neither District nor Developer, as the case may be, nor any successor-in-interest, shall be considered in default under this Agreement with respect to their respective obligations to prepare the Property for development, or convey the Property, in the event of forced delay in the performance of such obligations due to Force Majeure. It is the purpose and intent of this provision that in the event of the occurrence of any such Force Majeure event, the time or times for performance of the obligations of District or of Developer shall be extended for the period of the Force Majeure; provided, however that: (a) the Party seeking the benefit of this Section 12.2 shall have first notified, within ten (10) days after it becomes aware of the beginning of any such Force Majeure event, the other Party thereof in writing of the cause or causes thereof, with supporting documentation, and requested an extension for the period of the forced delay; (b) in the case of a delay in obtaining Permits, Developer must have filed complete applications for such Permits by the dates set forth in Article 4 and hired an expediter reasonably acceptable to District to monitor and expedite the Permit process; and (c) the Party seeking the delay must take commercially reasonable actions to minimize the delay. If either Party requests any extension on the date of completion of any obligation hereunder due to Force Majeure, it shall be the responsibility of such Party to reasonably demonstrate that the delay was caused specifically by a delay of a critical path item of such obligation. Force Majeure delays shall not delay the Closing Date and shall not apply to any obligation to pay money, except as otherwise provided herein.

## 12.3 CONFLICT OF INTERESTS; REPRESENTATIVES NOT INDIVIDUALLY LIABLE

12.3.1 No official or employee of District shall participate in any decision relating to this Agreement which affects his or her personal interests or engage in any conduct or activity which may interfere with the official's or employee's full and proper discharge of his or her duties in the review, evaluation, award, implementation, monitoring and performance of contracts hereunder. No District employee, or any member of his or her immediate household, may acquire an interest in or operate any business or commercial enterprise which is in any way related, directly or indirectly, to the employee's official duties, or which might otherwise be involved in an official action taken or recommended by the employee, or which is in any way related to matters over which the employee could wield any influence, official or otherwise.

12.3.2 No official or employee of District shall be personally liable to Developer or any successor-in-interest in the event of any default or breach by District or for any amount which may become due to Developer or such successor-in-interest or on any obligations hereunder.

## 12.4 SURVIVAL; PROVISIONS NOT MERGED WITH DEED

Unless expressly stated otherwise herein, the provisions of this Agreement are intended to and shall merge with the Deed transferring title to the Property from District to Developer.

## 12.5 TITLES OF ARTICLES AND SECTIONS

Titles and captions of the several parts, articles, and sections of this Agreement are inserted for convenient reference only and shall be disregarded in construing or interpreting Agreement provisions.

## 12.6 SINGULAR AND PLURAL USAGE; GENDER

Whenever the sense of this Agreement so requires, the use herein of the singular number shall be deemed to include the plural; the masculine gender shall be deemed to include the feminine or neuter gender; and the neuter gender shall be deemed to include the masculine or feminine gender.

## 12.7 LAW APPLICABLE; FORUM FOR DISPUTES

This Agreement shall be governed by, interpreted under, construed, and enforced in accordance with the laws of the District of Columbia, without reference to the conflicts of laws provisions thereof. District and Developer irrevocably submit to the jurisdiction of (a) the courts of the District of Columbia and (b) the United States District Court for the District of Columbia for the purposes of any suit, action, or other proceeding arising out of this Agreement or any transaction contemplated hereby. This Construction Warranty Agreement (“**Warranty Agreement**”) is made this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by HABITAT FOR HUMANITY OF WASHINGTON, D.C., INC., a District of Columbia nonprofit corporation (“**Seller**” or “**Habitat**”), to \_\_\_\_\_ (“**Purchaser**”).

WHEREAS, this Warranty Agreement concerns a certain parcel of real property more particularly described in the attached **Exhibit A** (the “**Property**”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Habitat agrees for the benefit of Purchaser as set forth below.

1. **Warranty**. Habitat warrants to Purchaser, subject to the terms and conditions of this Warranty Agreement, that (a) all engineering and other design work furnished in connection with the construction of the building and related site improvements (collectively, the “**Improvements**”) conforms to all professional engineering standards of care, principles, or other applicable design principles, generally accepted as standards of the industry in Washington, D.C.; (b) all construction work has been performed in a good and workmanlike manner and in compliance with the drawings, plans and specifications that were approved by the District of Columbia for the construction of the Improvements (the “**Approved Plans and Specifications**”), and is free from defects; (c) the materials used to construct the Improvements are new and of good quality and compliant with the Approved Plans and Specification; (d) all work on the Improvements was completed in accordance with and is materially consistent with the Approved Plans and Specifications, and was completed in accordance with any applicable building permits and licenses, local laws, ordinances, statutes, rules, regulations, permits, licenses and approvals pertinent to the construction of the Improvements in effect on the date of this Warranty Agreement (the “**Legal Requirements**”); and (e) all mechanical, HVAC, electrical, plumbing systems (collectively, the “**Building Systems**”) were installed in a good and workmanlike manner and are free from defects.

2. **Correction**. Habitat shall repair or replace, at its cost, any item or component of the Improvements found not to be materially in conformance with the Approved Plans and Specifications, the Legal Requirements, or found to be defective, provided Purchaser notifies Habitat, in writing, of such nonconformance or defect within the Construction Warranty Period (the “**Warranty Notice**”). Within ten (10) days of receipt of a Warranty Notice from Purchaser, Habitat shall notify Purchaser whether the items listed in the Warranty Notice are covered under this Warranty Agreement and give Purchaser a description of the actions Habitat intends to take to cure such nonconformance or defect. If Habitat fails to cure such nonconformance or defect within thirty (30) days after receipt of the Warranty Notice (or, if such nonconformance or defect cannot reasonably be cured within thirty (30) days, and Habitat has commenced to cure such nonconformance or defect and has requested additional time to cure such nonconformance or defect, such longer period as is reasonably agreed upon by Purchaser and Habitat), then Purchaser shall be entitled to complete such replacement or repair. If a Warranty Notice has been given prior to expiration of the Construction Warranty Period, Habitat shall complete the correction of any nonconformance or defect, even if performance of such corrective work extends beyond the Construction Warranty Period. The Construction Warranty Period, applicable to such corrective work only, shall be extended if necessary to ensure that the Construction Warranty Period does not expire less than six (6) months after completion of such corrective work.

4. Assignment of Secondary Agreements. Upon the Warranty Expiration Date, Habitat shall cause all of its right, title and interest in any agreements received by Habitat from subcontractors and suppliers in connection with the construction of the Improvements (the “**Secondary Agreements**”) to be assigned to Purchaser. Upon transfer of title to the Property from Habitat to Purchaser, Habitat shall provide an operation and maintenance manual to Purchaser describing how to properly operate and maintain the Building Systems and which shall list all of the subcontractors and include any Secondary Agreements. Habitat shall not and has not taken any action or done anything which could limit the enforceability of any guarantees or warranties contained in any Secondary Agreements.
